Hello and many greetings! During the combination course this year, the class has been really stimulating for the both of us I am sure. The most inspiring teacher has been of course Mr. Cairns with Mr. Kelley following. I hope next year that we can get into a class as stimulating, at least as this one was together. Next year I know that we'll probably have many classes together. Best of luck till then; have a blast this summer and come back refreshed!!

Santa Monica

Queen

of the Bay

Santa Monica High School has shown herself to be Queen of the Bay in many ways during the 1964-65 school year.

Our administration and faculty have encouraged us to seek the highest levels of achievement.

As a combined student body and as individual classes, we have worked for participation and unity in the school. In attaining our greatness, we have learned competitive spirit, fair play, physical fitness, as well as fellowship and fond memories of Samohi.

For another great year our Viking ship has sailed as Queen of the Bay.

Linda Edwards
1965 Nautilus Editor

At the beginning of the fall semester, Dr. George K. Drake, Samohi's principal for the past six years, celebrated his thirtieth year in the field of education.

His interest in the students of Samohi radiates to the point that it is felt throughout the student body and is returned through the great respect that the students hold for their principal.

At the professional level, Dr. Drake earned his B.A. degree from UCLA, his M.S. degree from USC, and received his Ph.D. from UCLA. Prior to his tenure at Samohi, Dr. Drake worked at the junior high level. He served as dean of boys at John Adams for two years, vice-principal at Lincoln for four years, and principal at Lincoln for nine years. He also taught at Roosevelt, Franklin, and Madison elementary schools.

Dr. Drake has served in many positions of importance outside of school. Among these are: president of the Santa Monica Administrators Association, president of the California Junior High School Committee of the Southern section. He has been a speaker and writer for many events all over the United States. Some of these are: speaking at the National Association of Secondary School Principals; writing magazines, such as, "School Executive Magazine," and "The Bulletin."

An active participant in community affairs, Dr. Drake has served as a counselor to the area Council of Boy Scouts and secretary on the Board of Directors of the Y.M.C.A.

We, the NAUTILUS Staff, feel that Dr. Drake's unceasing work and devotion to the younger generation warrants recognition from the students of Samohi. Therefore, we dedicate this, the 1965 NAUTILUS to Dr. George K. Drake, our principal.

To Thee We Hail

Relaxing at a faculty barbeque . . .

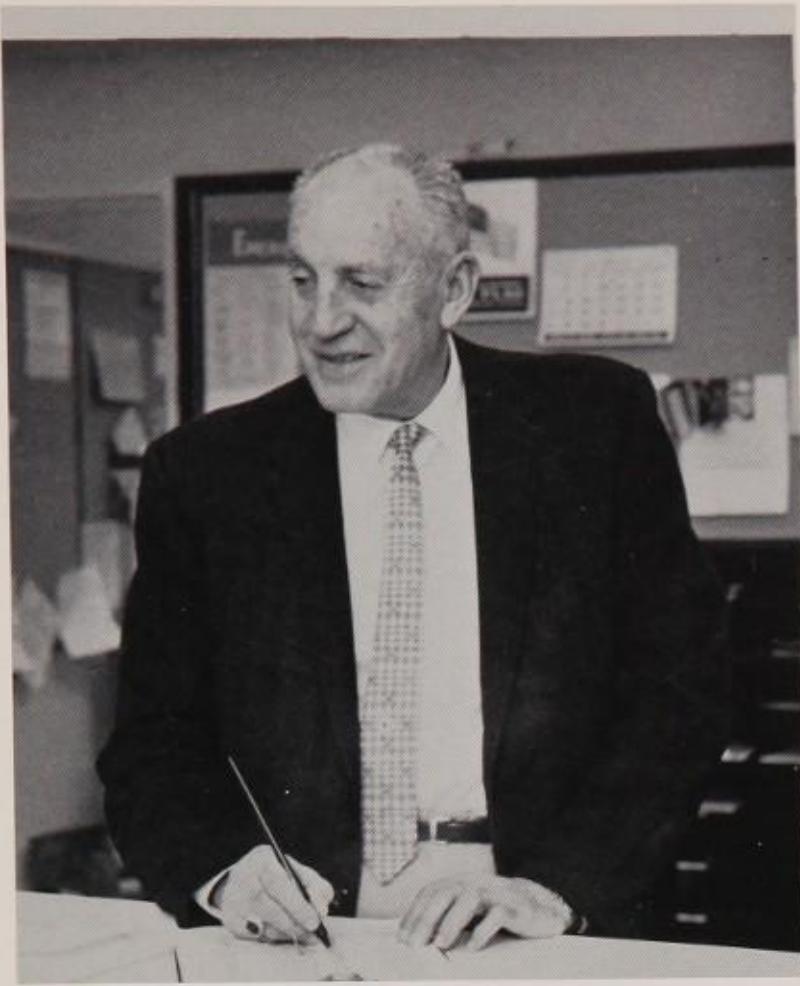

Hard at work at his administrative duties.

Farewell

The NAUTILUS Staff, on behalf of the student body, wishes to thank two men for their outstanding contributions to the academic accomplishments of Samohi students.

Dr. Edmund E. Evans of the English Department and Mr. George Tichenor, coordinator of guidance, have offered their time to help their students. To these men we say . . . thank you for all your years of service. We wish you both the most enjoyable future . . . we shall keep you in our thoughts.

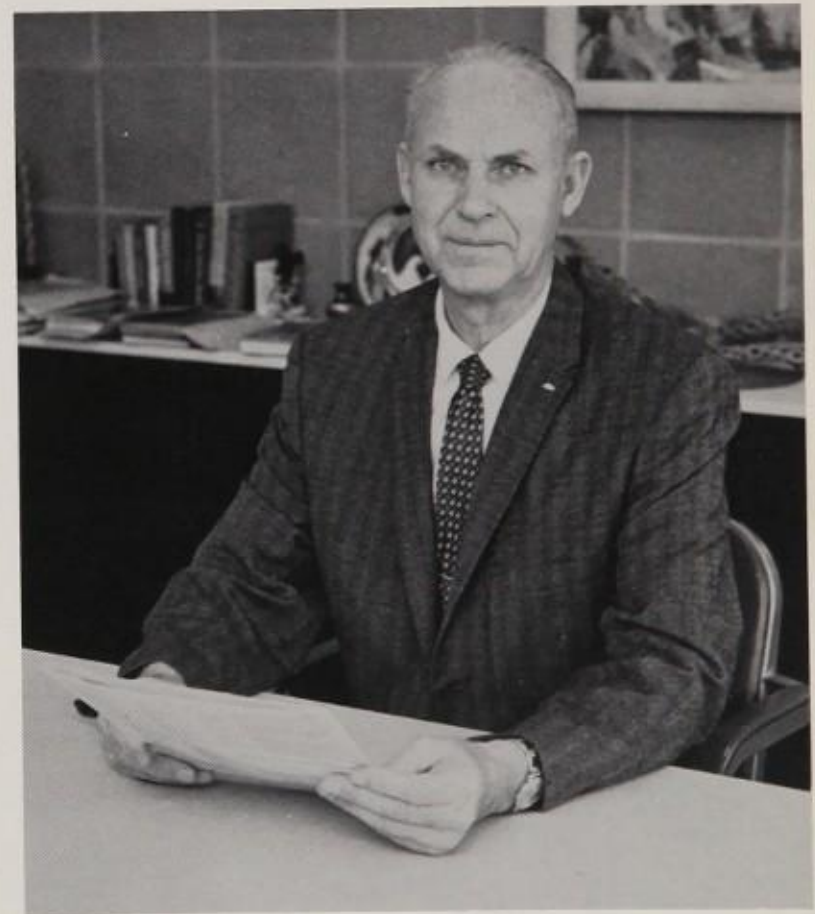

Dr. Edmund E. Evans

In this, his last year at Samohi, Dr. Edmund E. Evans brought back the old tradition of having two senior plays during the school year. In the fall, he directed "Ghost Train," one of his favorite mystery plays. In the spring "Katie," which was co-authored by "Doc" Evans, was presented to receptive audiences in Barnum Hall.

Since 1935, "Doc" Evans has given encouragement and inspiration to hopeful theatrical students. Because of his love for the theater and his dedication to it, we have among our alumni such names as Glenn Ford, Jeff Chandler, Nan Marin, and Jeanne Bal, all of whom have found acclaim in the theater.

To "Doc," whom we all love, a fond farewell and very best wishes for his future happiness and success.

Mr. George Tichenor

After forty years of dedicated service to Santa Monica schools, Mr. George Tichenor is retiring from the educational field. Mr. Tichenor came to the school system in 1925 when he joined the faculty of McKinley Elementary School as a math and physical education teacher. Then in 1926, he transferred to John Adams Junior High School as a physical education teacher, and in 1931 he was given the position of boys' adviser. Mr. Tichenor came to Samohi in 1934 and taught physical education until 1943 when he became dean of boys. He held that position for five years before he became a counselor in 1948. In 1956 Mr. Tichenor was appointed coordinator of guidance, and he has held that position ever since.

To Mr. Tichenor, a sincere wish for happiness in the future and a special thank you for all your years of service.

On These Pages . . .

he does not bid you to enter
the house of his wisdom,
but rather leads you to the
threshold
of your own mind."

To the Class of 1965:

Samohi's long tradition as QUEEN OF THE BAY has been carried forward proudly by this great class of 1965. The enthusiasm and desire to excel which our seniors have demonstrated has ignited a spark which lights the way for all the other classes of our school. The precious gift of loyalty which our alumni continue to give to their alma mater makes those of us who follow more courageous and stronger in our efforts to make our Samohi an even mightier force in the life of our community.

Mr. Porter I. Leach, in the absence of Dr. Drake, assumes the position and responsibility of principal. He also supervises clubs and all athletic events, and attends the House of Representatives and Cabinet meetings. All publications and social functions must have his approval. Supervising senior activities, dances, assemblies, and games, are but a few of his many duties. Mr. Leach has full charge of all student body funds and has jurisdiction over the busy Vikes' Inn.

Miss Beverly J. Waters, vice-principal of instruction, may be found at any time working on future curriculum plans, arranging for better and more interesting courses, or revising present course outlines. Another facet of her responsibility is working with and helping new teachers as much as possible. Miss Waters is also in charge of the scheduling of classes and works closely with the counselors.

Mr. Leach gives Fall ASB President Ricky Abbott pointers on student government.

Fall

Fall ASB President

Judging from recent world events, I feel the adult generation has made little progress in the field of human relations. When we reach the stage of adulthood, it will be up to us to learn to live peaceably with our fellow human beings or to perish with them in a nuclear war.

The art of living in peace has always been a hard one for man to master. I believe a major point in the mastery of this art is learning to find the good characteristics of people and at the same time, ignoring their bad traits. If people could learn to love others on the basis of their many good traits rather than to hate them on their few bad ones, we would be well on the way to mastering the art of peaceful living.

When these golden days have passed and when I have gone back to my country—the Philippines—then I shall remember that I spent one of the most meaningful and most wonderful years of my life here at Samohi. I shall remember the happy moments I've shared with my American family, teachers, and friends. I shall remember the feelings I've shared with Samohi—joy and sorrow, pride and disappointment, success and failure. No, I will never forget how it was to be a Viking—even though I was for only a year.

I regret that this experience has to pass my way but once. I regret that I have to go and part with it. Yet, I'm glad that I've had such memorable days in my life for me to treasure and for me to recall, once in awhile. And I know I owe them to you, my dear American friends.

So even after time and space have parted us, I shall still be thanking you—for I shall still be remembering those wonderful moments that were, but never, again will be.

Dear Samohi Friends,

Maybe you have travelled some time. Maybe you have never been very far from Santa Monica. But I don't think you can realize how great a year you gave me. It was much more than a sightseeing or a dream trip. I know that, if all of you hadn't given part of your time to bring over AFS students, I might never have seen your wide and beautiful country. I would have missed a lot of fun, your football games, pep rallies, and Viking spirit. I wouldn't have known the beauty of a sunset on the Pacific Ocean, and I would have kept a lot of foolish prejudices about America and the Americans. For that I thank you.

But I want to thank you for more than that, for something that made my stay in Santa Monica a very unique and special experience: the friendship you gave me all year round. I had heard about American friendliness and hospitality; I had never dreamed that I could feel so much at home though. And that feeling of being one of you I'll never forget. I have to go back home. I'll be happy to see my family and my friends again, and I'll be happy to start my new college life. But I do know I'll miss you very much.

I won't get lyrical; I don't think it would fit me very well. But we'll never quite lose contact. If someday any of you come to my country, it will be a joy for me to help you in anyway. I will share with my folks what this year has brought to me, and I will tell them how nice you have been to me. And as for me—Maybe I'll see you again some day?

Seniors

FALL SENIOR OFFICERS—"Always Where the Action Is?" found Joanne "Strongarm" Armstrong, treasurer; Don "D.F.R." Roberts, Senior Class president; Maureen "Gimpy" Rehn, secretary; and Karl "Elusive" Anderson, vice-president; picking an appropriate place to plan the activities of the Senior Class.

Particular

Seniors

Spirited Seniors Remember . . .

Now that the last year at Samohi is coming to an end for the seniors, there is opportunity to reflect on the past three years to the intimate memories which have been collected, and to the more dynamic experiences they will all remember for years to come.

Graduation and Grad Night at Disneyland will probably head the list of events in the senior memoirs, but no one will forget the senior prom, "Moonlight & Roses," or "Katie Day," and the two fabulous senior plays, "Ghost Train" and "Katie."

The junior year was perhaps the most exciting for some. As the richest class at Samohi, the Class of '65 sponsored and arranged the Junior-Senior Prom "Valhalla" at the romantic Riviera Country Club. To add to the achievements that year the class sponsored a noon surfing film in Barnum Hall and carried on the tradition of selling programs at the football games.

Looking back on the three years at Samohi no senior can forget his sophomore year. Although it seems such a long time ago now, it was quite an important year. Everyone was new to Samohi, but it didn't take long to learn the ropes. Class members sold candy canes at Christmas, Easter eggs at Easter, and baked goods in the Spring. "County Fair Day" made everyone part of the school, and pep rallies and football games brought out Samohi's great spirit.

With all of these activities throughout the years, the seniors are still aware of the important part that tradition plays on the Norse campus; shining the seal as sophomores, sponsoring the prom as juniors, and staging a play as seniors. The class has carried on these traditions, already set by other classes, and perhaps some new ones for other classes to follow.

The last year at Samohi has been a memorable one and will never be forgotten by any senior. The senior gift will be a small way of showing appreciation to a great school, faculty, and administration for helping to make the three years at Samohi as wonderful as they were.

In the future, when the Class of '65 is reminded of its high school years, each student will remember the seal, the prom, the favorite teachers, and the traditions of Samohi as clearly as they did as Vikes, because the years at Samohi were happy years, and each person played a part in them.

SPRING SENIOR OFFICERS—"The Richest Class At Samohi" found Jon "Moody" Kastendiek, vice-president; Suzi "Zim" Zimmerman, secretary; Ken "Sandy" Rosenthal, Senior Class president; and Jill "Rosie" Rose, treasurer; breaking into the bank at Samohi.

"Top Ten": Those graduating seniors who finished at the top of their class are (TOP l-r) Ricky Abbott, Bill Cox, Mike Miller, Hillel Schwartz; (MIDDLE) Ann Swedenberg, Lois Sharpnack, Kathy Stanton, Diane Fiedler; (FRONT) Kristi Anderson, salutatorian; Carolyn Skeels, valedictorian; Barbara Tucker, salutatorian.

MUST YOU TURN TO GO SO SOON?
Well

the gate is here
exactly as it was
when you first came;

it has not changed
only you have

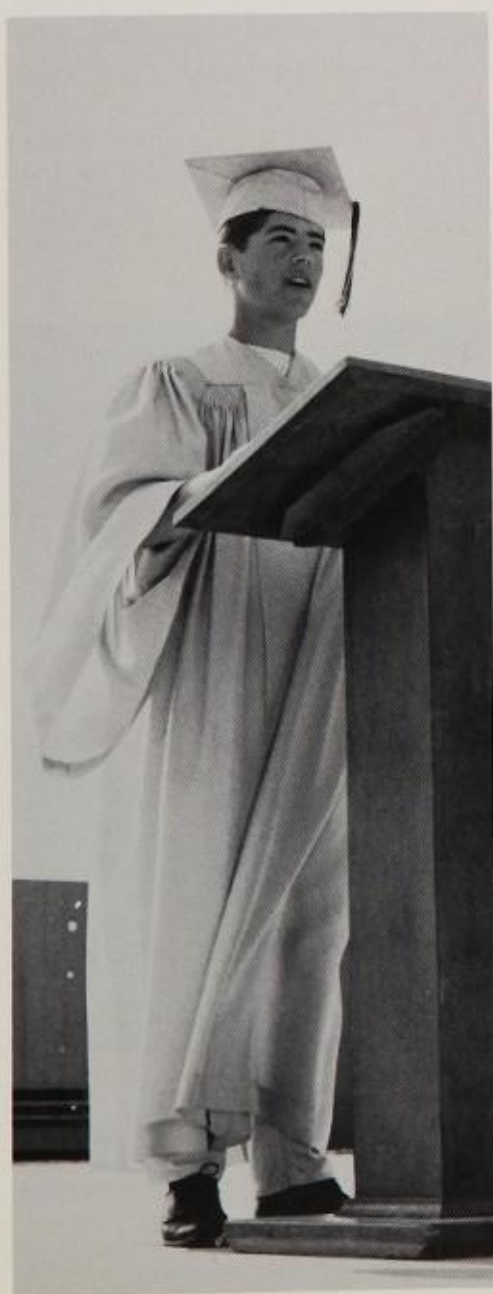

DON'T BOTHER TO CLOSE IT BEHIND YOU.

It will not close;
your memory,
your new values,
your larger life
are in the way.

Besides

you will be coming back
someday . . .

(anon.)

Sandy Rosenthal, spring class president, bids "so long" to Samohi.

Last minute checks and changes before Commencement Exercises.

Senior Class sponsor, Mr. Ken Kearsley, points the way to successful year.

Craig Hinds sparks a committee meeting, one of the backbones of class activities.

As the Class of '65 enjoyed its last semester at Samohi, the accent was on graduation. During these hectic, but memorable days, Vike graduating seniors were participating in numerous activities. The organization and planning of these activities were handled by the Senior Class Board.

Working primarily through committees, the board was responsible for the success of such events as the senior play, grad night, and the senior luncheon. "Katie," the senior play, was a spectacular musical comedy. It was "Doc" Evans' last Samohi production and was the highlight of the semester. Disneyland was once again the scene of grad night, and a Polynesian luau provided the theme for the senior luncheon. The selection of a senior gift was another project that was undertaken by the board.

Filling out the senior calendar were the prom, baccalaureate services, and commencement exercises. In all, it was an enjoyable and unforgettable semester. The board was extremely busy planning the activities, but the success of each one depended upon the support and cooperation of all seniors, especially the officers: Sandy Rosenthal, president; Jon Kastendiek, vice-president; Suzi Zimmerman, secretary; Jill Rose, treasurer.

Officers: (FRONT, L-R) Rosenthal, Zimmerman, Rose, Kastendiek; (SECOND ROW), Masciana, Anderson, Roberts, Rogers, Maxey, Harding, Parsons, Tucker, White, Earl, Brown; (THIRD ROW), Armstrong, Uehara, Russette, Paull, Marriott, Sherman, Scott, Deutsch, Lott, Dote, Wells, Myer, Barker, Boshers, Colberg, LaBombard; (FOURTH ROW), Boden, Dean, Peterson, Ishizuka, Fellows, Douthat, Jordan, Wilkie, Catton, Tibbs, Skeels, Rehn, Rott, Kozeliski, Nichols, Sandke, Carlson, Boyd, Levos, Nizet; (FIFTH ROW), Pierce, Pardridge, Snyder, Mattheiss, Radke, Fitzpatrick, Rose, Richards, Thiermann, Bauman, Patton, Hinds, Cox, Brown, Laverty, Talmadge.

Scholars of the Month

The Scholar of the Month program was initiated by Superintendent of Schools Alfred Artuso. Each month, a student is chosen as Scholar of the Month. The selection is based upon outstanding scholarship and citizenship.

Each department submits the names of two students who excel in a particular department. The matters then considered are the performance of the student within the department, the grade point average, and the citizenship record of the student.

A faculty-administration committee receives and screens the candidates for Scholar of the Month. Monthly, the committee selects one student who has distinguished himself.

The chosen Scholars are honored in the local and school newspapers. In addition, they are featured on the special Scholar of the Month bulletin board with a picture and commentary.

Scholars Ying Hsiung and Bill Cox are shown making use of two of the modern facilities in the Math Department.

Kristi Anderson and Kathy Rott, two of Samohi's ten scholars, are pictured using the extensive Foreign Language Lab.

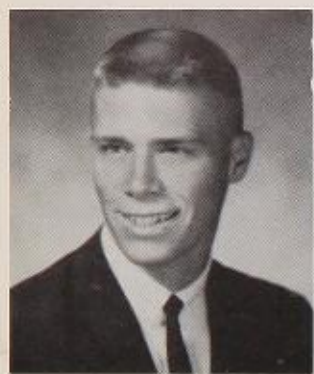

Elaine Riihinen, George Berglund, and Lois Sharpnack are seen utilizing the Chemistry Lab, one of the many useful extensions of education at Samohi.

The library is the most highly used facility on campus, as depicted by Polly Parkin and Mike Miller.

The highest honor bestowed upon a Samohi graduate is the title of Sealbearer. To qualify, a student must be a member of the California Scholarship Federation four semesters, one of which must be in his senior year.

At the beginning of the 1964-65 school year, there were eighty seniors who were in a position to become Sealbearers. Of that number, forty-one students achieved the honor in February. The eighteen potential Sealbearers had to receive Delian grades in June in order to qualify. Sealbearers achieved recognition at graduation ceremonies where they wore the golden Sealbearer cowl and were presented with a golden seal on their diplomas.

THE SCHOLARSHIP COMMITTEE

One of the hardest-working faculty committees on campus is the Samohi Scholarship Committee whose responsibility it is to see that all qualified students are rewarded for outstanding scholarship, citizenship, and participation in activities.

The Scholarship Committee is made up of several faculty members: Mr. Bernard Roberts, chairman; Mrs. June Frink, co-chairman; Mr. Andrew Dimas, secretary; Mr. Merton Burkhard, Mr. James Caballero, Mrs. Ann Ferguson, Mr. John Kennedy, Mr. Frank Little, Dr. Thomas MacCalla, Mr. LeRoy Vaughn, and Mr. Thomas Wood. The committee is under the general direction of Miss Beverly Waters, vice-principal of instruction.

Spring ASB President

Life—a swift-moving stream—has cut out much of its watercourse by this time, and all the deflections, rapids, and turbid waters represent individual occurrences and experiences in your life. The banks—rocky in some areas, grassy and green in others—are the people you encounter and the influence they have over your growth and development, the people who helped you choose the path you follow. But continuing down the streambed, your life will be set into turmoil by the obstacles you come across. The rocks will throw your waters high and set them down viciously. On and on will you travel until you find the peace of the calm waters under the painted evening sky. Here you will spread out and slow down to soak in the beauty of life and the understanding of being an individual.

The stream water is the life of your being. While some streams start from nothing and trickle into nothingness, others surge powerfully from many sources and continue strengthening all the way to the sea. The length of the gorge ground into the earth by your waters represents the Time of your life. It will become the most important of all things as your stream moves on, because you will realize that it is portioned out to everyone, and everyone's Time will come. You

will find that there are too few seconds in which to live. To make the seconds last longer—for Time is only relative to what you are using it for—you could sit and ponder about Time and even wait for it to end, but it won't, and you'll be left there having accomplished nothing and in a deeper quandary as to life's import than you were when you sat down. But if you stand and tie your own shoes and start down the path and into the world, the place where a life becomes meaningful, then it doesn't really matter how much Time you have because it is being used to its fullest, and every moment and hour in your life becomes significant. Let your Time include other people, for Time shared doubles with meaning, and you will learn that your life will be more meaningful to you.

Stop a moment and look at your streambed. Look at your past and at your future; notice the bad falls and turns, and learn from them. And then plan your course to be the safest and most meaningful route to the sea.

Girls' League Serves

Girls' League Commissioners (FRONT) S. Neff, L. Levos, P. Wilkie, J. Poliquin, L. Edwards, G. Smiley, C. Hayward, S. Myer; (BACK) P. Spoerri, N. Nichols, N. Peterson, P. Cure, R. Scott, M. Rehn, I. Kyriannis, B. Nirenberg.

President Karen Colberg took over the Girls' League gavel, and the spring semester began with the initiation of the new board members. At the Girls' League Get Together, all members of squads and committees viewed a mock board meeting to see how effectively and efficiently the board works.

With the fantastic sounds of the Emperors, the spring dance, entitled "Samohi A-Go-Go," was a huge success.

At the end of the year, the Girls' League Board held its annual banquet at which the new officers were presented, and the old reminisced about their many experiences in the organization.

Girls' League is not functioning merely for the purpose of giving citations and bringing girls to court; it is deeply interested in promoting unity and friendship by planning events in which all girls of Samohi may participate.

Girls' League Squad Captains: N. Touchberry, S. Lamb, N. Wendell, S. Maxey, C. Alberts, J. Mohr, P. Norvo, N. Jenny, M. Staringer, S. Swisher.

Girls' League Officers: Karen Colberg, President; Shirley Kramer, Vice-President; Barbi Sherman, Secretary.

Boys' League Leads

Boys' League Officers: Larry McClellan, president; Mike Talmadge, vice-president; Harold Preston, secretary; Karl Anderson, parliamentarian.

Boys' League, under the leadership of President Larry McClellan, is the judicial branch of the Samohi student government. It is also a service group interested in helping all the boys of Samohi. Boys' League in the spring semester successfully fulfilled the duties for which it was originally established. It improved the system of squads with the addition of a commissioner of squads. This improvement helped to keep the campus open. In the spring semester, "Talanton" brought to the Samohi stage talented Vikings.

Boys' League Squad Captains: J. Rogers, C. Hinds, J. McCowan, S. Singleton, M. Davis.

Boys' League Commissioners: (BACK ROW) R. Mann, J. Miller, G. Pattan, B. Bauman; (FRONT ROW) B. Cox, R. Lavery, J. Nelson.

Vikes Explore Future Careers

Officers Taylor, Frederiksen, and Mazur show Carl Baldwin, Chris Gutormsen and Chuck Mattfeldt the fundamentals of safety and range discipline at the Santa Monica Police Department's shooting range.

Kathryn Date and Linda Ash learn proper office procedures from two professional secretaries.

Mr. Atherholt of Crocker-Citizens National Bank shows Danny Brown and Marcy Trainoff the annual report on how a bank is run.

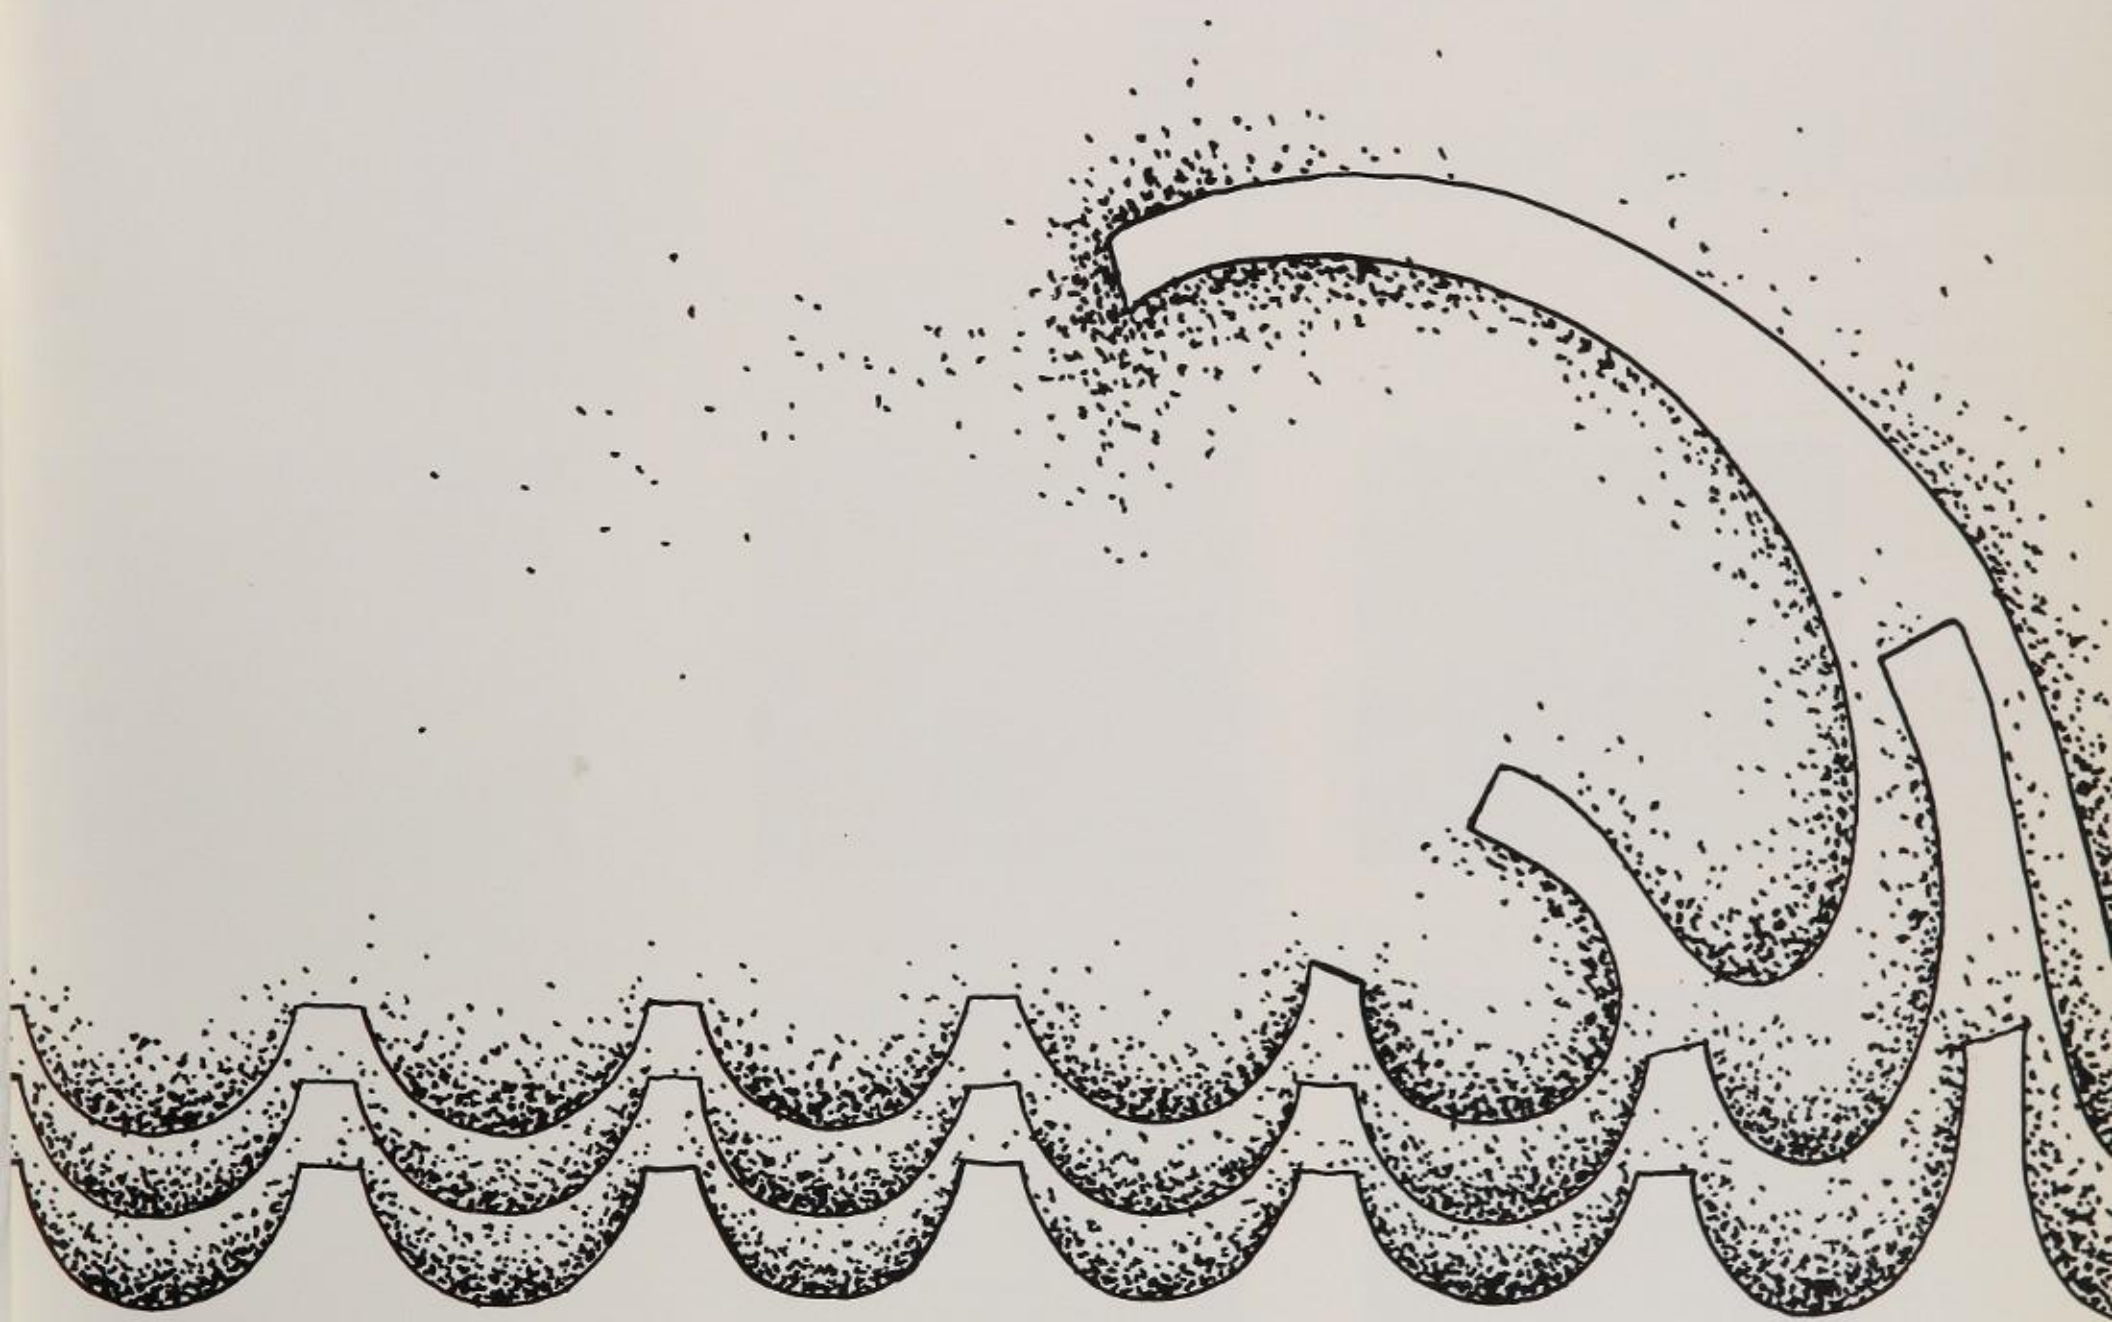

Sergeant Keane of the Santa Monica Police Department shows and explains to Bill Semple and Bill Bauman a display of hypnotic and stimulant drugs.

Each spring senior boys and girls participate in Career Day, which gives them an opportunity to visit various businesses and civic institutions in the community. After their tours in the Santa Monica area, they are treated to lunch at the Miramar Hotel. There a guest speaker talks to them about their futures in the business world. One hundred girls and two hundred twenty-eight boys were able to profit by seeing their future careers "in action" this year.

Miss Carmen Lopez demonstrates basketball techniques to Darlene Frater and other students at John Adams Junior High School.

The SAMOH

This year Vikings were kept informed of campus activities through The SAMOH, edited by Cathy LaBombard. The paper, a weekly publication, represents the combined efforts of Journalism 2-4 student editors and reporters.

The staff conducts interviews, plans layouts, and writes stories and headlines according to proper journalistic style.

Page one is supervised by the associate editor. On this page go all stories of importance to the entire student body.

Page two is the feature-editorial page, coordinated by the feature editors.

Page three is known as the secondary news page, and it is handled by the news editor.

Page four, the sports page, contains sports news and features.

Student reporters are responsible for gathering news and writing. The editors assign the stories, and then each writer secures the information, writes, types, and copyreads his article, writes the headline, and submits the story to the proper editor by the deadline.

On Thursday nights, the editors and the adviser work at City College making final corrections. The SAMOH is distributed on Friday.

Journalism 1 writers are trained in the basic elements of journalistic style. Each semester's "cub" class puts out one issue of The SAMOH.

The SAMOH has been rewarded this year for its excellence. It was judged along with other school newspapers from all over the nation and received a First Class Honor Rating from the National Scholastic Press Association for the twelfth consecutive semester.

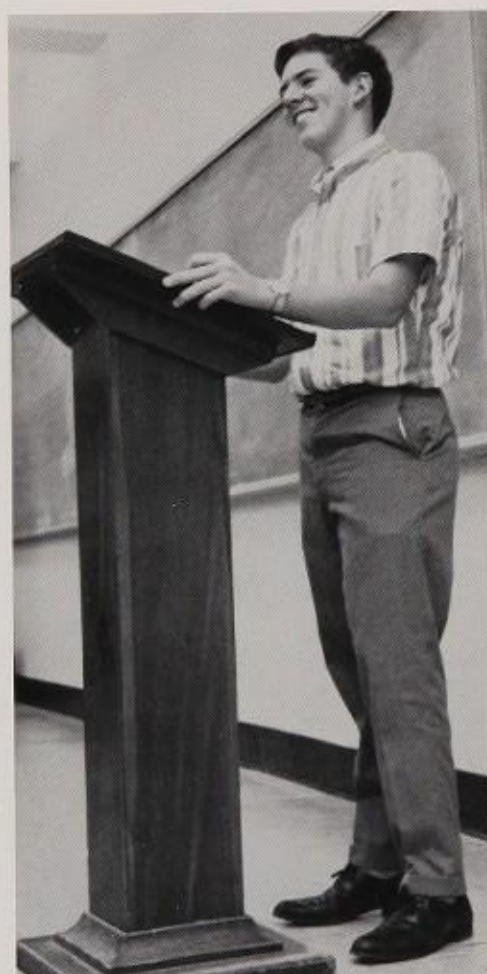

The SAMOH also won top honors at UCLA's thirteenth annual Edward A. Dickson Journalism Day. The paper won awards for excellence in all departments, for general excellence among high schools with enrollments of more than 2501, and as Dickson Sweepstakes winner among more than fifty papers entered.

At Santa Monica City College, the SAMOH won the overall excellence award and trophy and several first place certificates for writing, layout, and photography.

It was a banner year for the newspaper staff.

Senior Class Board

Senior Class Board

The graduating Class of 1965 has finished one of its busiest years at Samohi. It has engaged in many varied and interesting activities: the two senior plays, "Ghost Train," presented in January and "Katie," produced in May; the Senior gift and luncheon; the Senior Prom and Grad Night at Disneyland.

Throughout these activities, the Class of '65 showed a superiority of talent and spirit. But these were not the only assets of the Senior Class. There were also the academic achievements and the knowledge that each person is to find his own values and to explore the world he is about to enter.

Junior Class Board

The Class of '66 has proved itself to be a class of good spirit. The Junior year, above all, was one of the busiest as far as activities go. The main objective of the class was to put on a successful Junior-Senior Prom. Football season saw members of the Junior Class Board selling programs at the games in order to raise money to finance this endeavor. Other money-raising projects included the sponsoring of a noon dance.

Sophomore Class Board

The Class of '67 came to Samohi with plans and desires of having three great years at Samohi.

They elected officers and were started on their way, by first learning the tradition of our honored Seal, then by winning the yell contest at Corsair field. By this they proved themselves to be a good class.

INTERNATIONAL CLUB

The principal goals of the International Club are to welcome all foreign students on campus and to support the American Field Service Committee. The club performs service projects on campus throughout the school year. Some of the activities of the group this year were an appearance on the "Lloyd Thaxton Show," decoration of part of the campus for Homecoming, and participation in the parade. The club also had a Good-Will Christmas Drive for Santa Monica's Sister City, Mazatlan, Mexico.

A.F.S.

The American Field Service is a national, non-profit organization which brings students from foreign countries to live and study in the United States and, in turn, sends American students to study abroad. It is the aim of AFS to further friendship, goodwill, and understanding between the United States and foreign countries.

The principal task of Samohi's ASF Committee is to raise \$1000 to finance the transportation of two students to and from America. This year the student body aided the organization by subscribing to the telegrams sold on Valentine's Day and by buying AFS Shares that were sold in the spring semester.

Foreign languages in extracurricular activities are represented at Samohi by the Latin, Spanish, and French Clubs. Each of these clubs provides an organization to which foreign-speaking students can feel they belong and also encourages the speaking of the various languages by Samohi students outside of the classroom.

The main purpose of the Latin Club this year was to raise money for the Dick Patt Memorial Scholarship. The Spanish Club enhanced the extracurricular studying of Spanish students through a series of reports, discussions, and films dealing with the history and culture of the Spanish-speaking world. The French Club was reactivated this year at the request of French students.

General Music

Although the music students at Samohi are organized into classes, their abilities extend beyond the classroom into assemblies and gatherings to provide various forms of musical entertainment. The creating of music worthy of Samohi is their main goal. Three important groups in this category are the Viking Chorale, Girls' Glee and Girls' Chorus.

The Viking Chorale is the most advanced of the singing groups. A student must have had past experience and be recommended for membership. To enter Girls' Choir, a student must have the recommendation of the group to which she previously belonged. The Girls' Chorus has no requirements for membership.

Music Makers

Serenaders: On the night of June 26, 1964, 17 Vike musicians — the Samohi Serenaders — took their second consecutive first place rating, plus receiving the sweepstakes trophy at the 1964 "Battle of the Bands." This was Santa Monica's third straight appearance in the "Battle's" finals held each year in the Hollywood Bowl, making Samohi the only school ever to attain the finals of this contest three times in a row.

The members of the Serenaders are Mark Peach, Jim Burdine, Dave Selvidge, Kevin Lutes, Ira Kalb, Jim Odom, Cliff Snyder, David DeBus, John Burson, and Jim Bunnell. Others include Bill Randall, Alan Swink, Richard Adams, Goy Casillas, Vic Spiegel, John Velgrade, Mike Forshey, and Jesse Manibog.

Anyone hearing the smooth, mellow tones of the Serenaders will know why Samohi is proud of its excellent dance band. The group is supervised by Mr. Robert Zachman.

Samohi's orchestra, under the direction of Mrs. Hazel Smith, continued its fine performance this year by coordinating its musical skills in Vike music assemblies and the "Stairway to the Stars" program at the Santa Monica Civic Auditorium.

Viking Mar

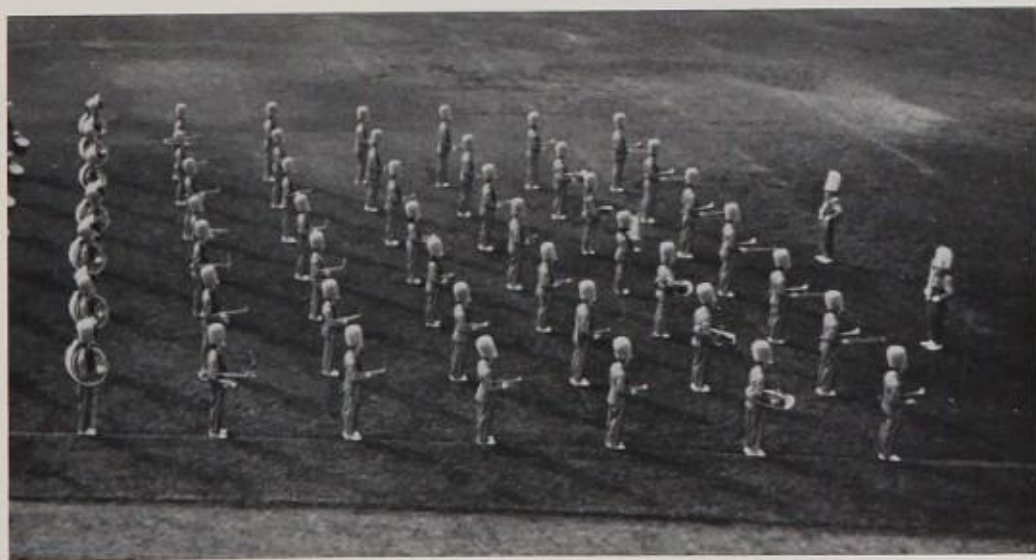

Samohi's marching band is rated as one of the three most outstanding bands in Southern California. Because of its status, the Viking band was invited to participate in band reviews and competitions throughout the area. The biggest honor of the year was the invitation to perform at the USC Homecoming football game with two other Southern California bands.

The many competition parades which Samohi entered included the Hawthorne Band Review, where the band placed second in its division; the Long Beach Band Review, in which the Viking marchers placed ninth out of a total of fifty-two bands participating; and the Huntington Beach Christmas parade, where the band placed second with a high rating in each division judged.

Vikesville's marchers also performed at Malibu Park Junior High School and at the Los Angeles County Fair in Pomona.

Marching Band

The Marching Band needs a lot of practice to keep the excellent ratings it has achieved in the years gone by.

At the Hawthorne Band Review, the Viking Marching Band shows its ability to march and play.

Band Officers: Jim Odam, Tom Myers, drum majors; Barbara Mengel, Mary Gale, Dawn Kaylor, Cheryl Shawver, Gene Korney, Jim Burdine, Jessie Manibog, Jim Bunnell, Kathy Naylor, Jay Skiles, Tom Berkimier, Connee Brannigan, Ron Davidson, Jim Osterholt, Chris Lev, Cliff Snyder, Marsha Adams.

BAND OFFICERS AND SERGEANETTE FRONTS

The Band officers and the Sergeanette fronts not only displayed their talents at pep rallies, parades, and football games, but also helped train and discipline all of the members of the Viking band and Sergeanettes.

It was a busy year for the Band and Sergeanettes as they participated in many parades and competitions which required the cooperation and coordination of the two groups.

SERGEANETTES

Under the leadership of Colonel Sue Kozeliski, Sergeanettes presented a new face this year. After raising money for many years, the organization was finally able to purchase new uniforms which accented the girls' precision and routine at pep rallies, football games, and march competition.

This year the student body was entertained at half-time with a new type of formation marching and routines. All in all, the drill truly portrayed a beautiful picture.

Fall Delians

Delians, Samohi's chapter of the National Honor Society, functions as the representative of the interests and talents of the best scholars at Samohi, its objective being the promotion of scholarship in all areas.

The regular Delian program included the Off-Campus Day at Disneyland, and the publication of the **Delineator**, the Delian magazine. New projects initiated were a foreign language day, a seminar program, and a literary contest. An all-senior Delian quiz team also made its TV debut on the Scholar Quiz program.

Class Boards Work to Provide Activities

JUNIOR CLASS BOARD — (FRONT ROW l-r) Peterson, Osterholt, Johnson, Essie. Members in alphabetical order are: Austin, Bussey, Cullison, Cullom, Danks, Dilworth, Dorin, Duggan, Eisendrath, Figueroa, Foster, Freed, Gabbert, Gale, Hadlock, Hogue, Irwin, Ishihara, Krakow, Lawrence, Link, McKee, Naylor, Pardridge, Posner, Samuelson, Schmitz, Scott, Serrell, Singleton, Stanley, Tchirkow, Volaerts, Wallen, Wheat, Wheelock, Zimmerman, Mount. (Identification by rows is impossible. Auxiliary board members also pictured)

Both the Sophomore and Junior Classes had a busy and fruitful spring semester at Samohi, participating in and planning activities for the student body.

There was never a dull moment during the spring semester for the Class of '66, which put all of its energies into the annual Junior-Senior Prom. The class board members arranged for the use of two ballrooms at the Riviera Country Club, and two bands played to help carry out the theme of "Moonlight and Roses."

The juniors participated in many money-raising projects and joined in the activities of "Katie Day." To help boost spring morale, the class officers held meetings to which the entire class was able to attend. The juniors were led by Jim Osterholt, president; Kevin Peterson, vice-president; Ginger Johnson, secretary; and Tom Essie, treasurer.

As the Sophomore Class reflects upon its first year at Samohi, the many traditions that make Samohi great remain impressed upon our minds. Among the many activities of the Class of '67 during the spring semester was the choosing of the senior ring. In addition, many activities were planned so that money would be available for the presentation of the Junior-Senior Prom next year. Giving inspiration to the sophomores were Bruce Ungar, president; Missy Talmadge, vice-president; Carol Watts, secretary; and Bonnie Sherlock, treasurer.

SOPHOMORE CLASS BOARD—(FRONT ROW l-r) Rasmussen, Stacey, Watts, Greene, Kintzer, Wade, Battaglia, Gabe, Tothaus, Sherlock, Ungar, Watts, Chew, Burke, Bohn, Bissell, Abbott, Bergland, Barnett, Smith; (ROW 2) Siebuhr, Niles, Ohrbach, Potter, Victory, Conti, Jilly, Hill, Hoover, Jenny, Taylor, Magruder, Gee, Berger, Emmons, Greb, Rawn, Voss, Ruby; (ROW 3) Lehman, Sperling, Sward, Miles, Kanan, Indermill, Coverdale, Conti, Lamb, Leonard, Mengel, Gold, Jex, Cook, Harvey, Heller, Henry, Lambert; (BACK ROW) Murphy, Mentzer, Orr, Schmidt, Prichett, Young, Ohland, Probst, Trivette, McGovern, Dote, Parker, Shipman, Judge, Peterson, Parise.

Student Life . . .

Linda Ash and Sally Hamilton pass the time of day at their lockers, a common campus sight.

The hub of many a Samohi student is the library, one of California's finest. Vikes Linda Emond, Jerry Labovitz, and Don Hromadka seek the aid of Librarian Rose Rice.

Judy Switzer and Dave Follete find lawn and tree provide perfect setting for relaxation.

The Christmas Assembly is always a highlight of the fall semester. This year a special play, with Tony Lane, Mel Carrillo, Bill Hull, and Robert Carricart, helped put Vikes in the holiday spirit.

Activities . . . Varied and Interesting

Tina Brownstein and Jerry Bloore take time out to read the SAMOHI, which is anxiously awaited every Friday afternoon.

Obviously girl watching is a favorite campus activity for Steve Hazzard, Garry Doran, Don Roberts, and Mike Miller. Girl watched is Homecoming Princess Linda Carlson.

A popular classroom activity is participated in daily in Mrs. Dale Rossi's clothing class, where girls learn practical lessons for the future.

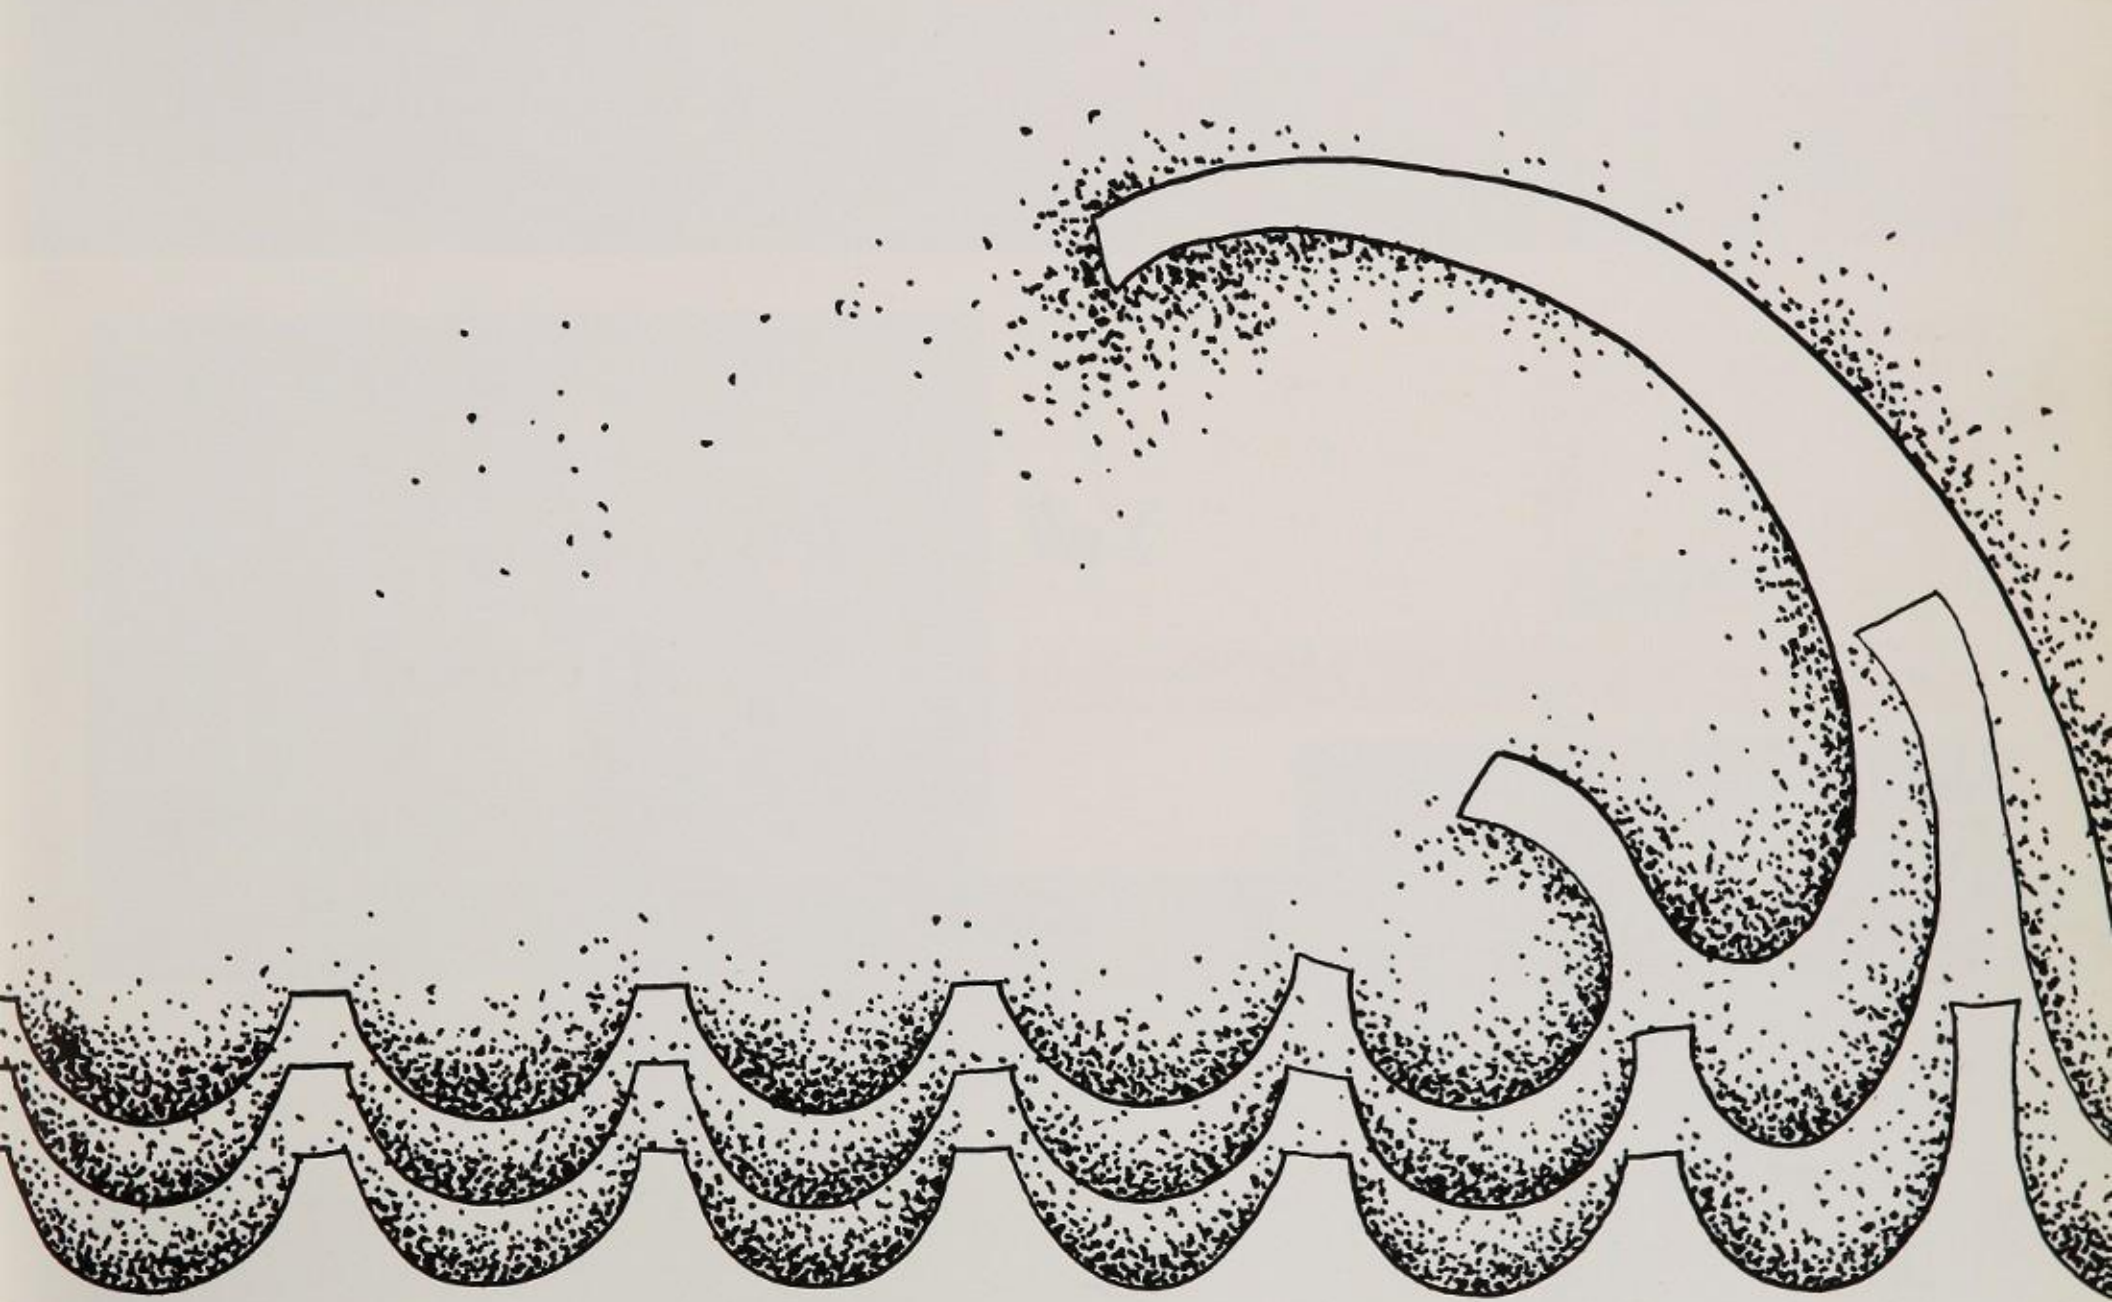

Vikesville A Go-Go

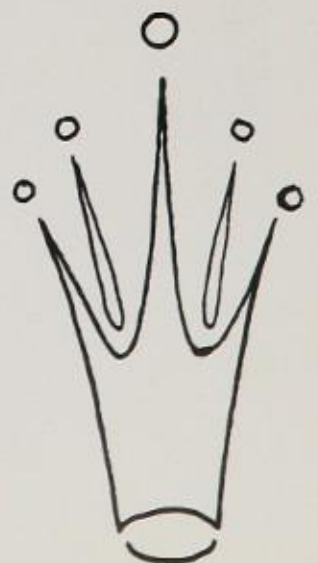

Who says pencil sharpening isn't a favorite pas-time? Carolyn Skeels and Robin Scott use the time to exchange a little campus gossip.

Samohi dances are always an enjoyable part of the school year.

Activities started early on Homecoming Day as many Samohi students arrived at five o'clock to begin decorating the campus. Each organization was assigned a certain area of the campus, and awards were given for outstanding decorations. The highlight of the day was the crowning of Donna Brisbin, Homecoming Queen, at the third period pep rally.

Assemblies at Samohi

Mr. Robert G. Drake tells of his experiences in the Peace Corps during an interesting assembly in which he showed slides of Nepal.

Samohi's many assemblies are planned primarily by the ASB Cabinet in coordination with the administration. Assemblies are brought to the students with the dual purpose of educating and entertaining. Samohi produces a variety of programs that it feels the majority of the students would enjoy.

Spinsters' Skip

Samohi couples danced amidst wooden shoes, windmills, and tulips on November 21st as Girls' League presented the annual Spinsters' Skip. "Dutch Treat," as it was entitled, was the first girl-ask-boy dance of the year. The dance, honoring Senior Class sponsor Mr. Kenneth Kearsley, was informal, and all enjoyed the "little bit of Holland" while dancing to the music of the popular recording group, "The Challengers."

Neon lights, an art gallery, and undulating dancing girls in gilded cages were just a few of the attractions at "Samohi-A-Go-Go," the 1965 version of the Girls' League Cotton 'n' Cord dance.

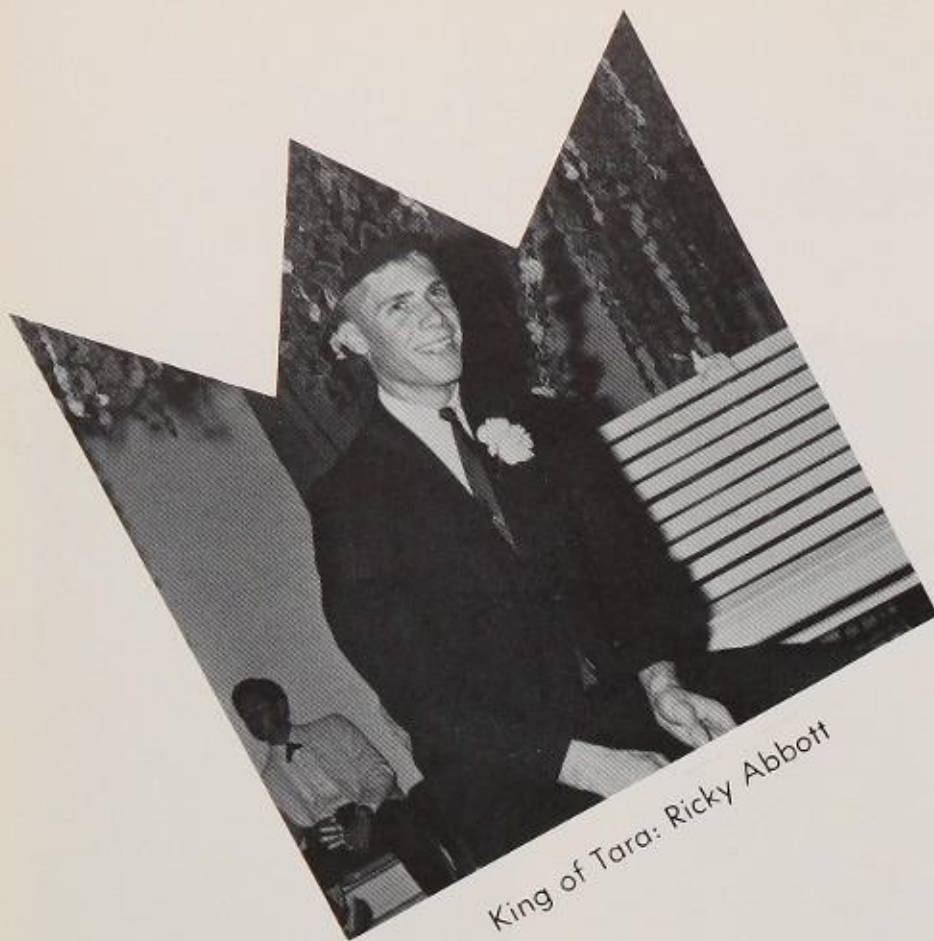

The dance took place on April 3 in the girls' gym, which was transformed into a discotheque where couples or stags went "a-go-go" in informal dress.

Added attractions included a fortune telling booth, a fast dance contest, and door prizes.

Music for "a-go-goers" was provided by the Emperors and Vikesville's own "Leftovers."

Dancing girls were Annie Algaw, Materlyn Atkins, Terry Burton, Judy Conrad, Mary Cunningham, Lois Edwards, Melody Garside, Vikki Greenly, Francesca Hampton, Jeanine Harrington, Cindi Judge, Bonnie Schoch, Julie Sigman, Tellia Smith, Pam Spoerri, Vicki Vollaerts, Mary Ward, Alice Williams, and Rita Wills.

The Samohi Art Gallery has been an integral part of the school curriculum since 1937, when Mrs. Josephine Seaman Roberts inaugurated the idea of having a cultural exhibition on the school campus for the students and the community. In 1962, as a result of campus reconstruction and remodeling, a new art gallery was built and was dedicated to Mrs. Roberts, whose efforts made the Art Gallery an important contribution to the cultural growth of the students, the faculty, and the public.

The Gallery's basic aim is to bring the best available expression of contemporary art to this community. As art is a changing expression in a changing world, the art department feels deeply concerned with broadening the aesthetic experiences of the students. The gallery is under the direction of Mrs. Nanon Ohman, Art Department chairman.

Boys' League Talent Show

On Friday, March 12, 1965, Boys' League presented its annual talent show, entitled "Talanton." Gifted Samohi students brought their talents to Barnum Hall, where a capacity audience saw the show. Acts included folk singing, piano and violin playing, as well as faculty cutting up. As usual, the talent show was well received.

"Ghost Train"

... The Ghost Train ... the driver ...

Why did the stationmaster have to die just when the train was coming? Did the farmer really see a ghost walking the platform, swinging a lantern, and singing "Rock of Ages" that night? These questions were part of the mystery of the fall senior play.

The showing of this play, an old favorite of Dr. Edmund E. Evans, drama coach, brought back to Samohi the age-old tradition of producing two senior plays.

"Ghost Train" was presented on January 15 and 16 in Barnum Hall. The proceeds were used by the Class of '65 to purchase the annual senior gift.

The cast also included Carl Chew, Yvonne Cherbak, Steve Kennedy, Kathy Marriott, Kathy Boyd, Fern Topas, Tony Lane, Robert Carricart, Sam Jones, Nelson Richardson, Bill Hull, Lloyd Allen, Sherry Flanagan, Bill Rasband, Roger Kirkland, and Harold Harris.

Varsity

The Viking Varsity gridgers, although compiling an overall record of three wins, five losses, and a tie, had many bright spots during the year. Among these was the naming of four of their members—Rick Abbott, Eric Evans, Tom Eveler, and Steve Hazzard—to the first team of the Bay League all-stars.

The Norsemen opened the season against a speedy Centennial eleven. Despite building up a 12-7 halftime lead, the Vikes were thwarted in the second half, due partly to an injury to star halfback Eddie Saenz. Led by Donald Kinsey and Mickey Cuerton, the Apaches rolled to a 27-12 victory. In the second non-league encounter with Inglewood, the Vikes were turned back again, 20-18. The Sentinels, powered by halfback Dave Courtney, halted a second-half Samohi surge, sparked by John McCowan, George Muinch, and Rick Abbott.

The win-hungry Vikes then tangled with Ventura, and emerged victorious with a 25-13 drubbing of the Cougars. Capitalizing on Ventura's mistakes, they built up a 25-0 lead and coasted the rest of the way. Mark Espy and Leroy McCartney shared quarterbacking duties, while being backed up by a strong performance by workhorse Eddie Saenz. In the final pre-season contest, Samohi crushed Antelope Valley, 28-0. With junior Gene Descalzi at the helm, the Vikes displayed a new and explosive attack that sent them into league play on a winning note.

Ready to go, Vike linemen prepare to take over.

With a 2-2 record behind them, Samohi prepared to tackle a much-improved Bay League. In the opener, they ran their win streak to three games by conquering South Torrance, 19-6. With McCowan and Muinch heading up a devastating running game and Eric Evans snaring Descalzi's passes, the Vikes riddled the Spartan defense. In the Redondo clash that followed, the Norsemen were slowed down somewhat, managing a 14-14 deadlock with the Seahawks. Top ground gainer Muinch was again a standout, gaining over 100 yards.

The next three Viking opponents finished in the top three league positions. Palos Verdes, who later went on to the CIF playoffs with Hawthorne, edged the Vikes 26-20, with a brilliant fourth quarter comeback. After building up a 20-6 lead and carrying it into the final period, Samohi saw the lead vanish, due to the efforts of Sea King quarterback Bruce Berger. A contributing factor to the loss was the untimely loss of key lineman, Steve Osti, for the rest of the season.

Chances for the Bay League title were eliminated for Samohi with the 21-7 setback to Hawthorne. Terry Mazotta led the Cougar attack, which dominated that of the Vikes until the fourth quarter, when Saenz raced 89 yards with a Cougar kickoff for Samohi's only tally.

The Vikes closed the season with their rival, Mira Costa. Their only scoring, 14 points, came in the second half, and the Mustang's ground game, spearheaded by Dennis Barberic and Jeff Colmer, overwhelmed the Norsemen. The high point for Samohi that night was an 80-yard touchdown play produced by the team of Descalzi and Evans. The final count was 26-14.

Coach Dick Turner is looking forward to a 1965 grid power, sparked by the nine returning lettermen and several other returnees.

JV, B, C FOOTBALL

Samohi's JV, B, and C gridiron warriors followed the form set by last year's footballers. That is, the JV's lost only one game, finished with a fine 7-1 mark. The B's dropped a pair of decisions, finishing second in the Bay League with a 7-2 overall card, while the C's went undefeated to the BL crown with a great 8-0 report.

Behind the early season passing of Gene Descalzi, and the running of diminutive halfback, John McCowan, the junior varsity romped over all comers until they met up with a top group of JV's from Palos Verdes High. The Sea Kings, bolstered by many members of the Varsity, trounced the Viking stalwarts, 34-19.

Coach Don Kramer's "redshirts" provided several stellar performers for the varsity eleven. Numbered among these are Descalzi, McCowan, Lyndon Tolliver, Jack McGann and Bruce Morton.

Coach Bob Harris' maiden season as B mentor was a successful one. His charges dropped one notch from the '63B pigskin finish with the same overall record, 7-2. Last year's gridders finished on top of the Bay circuit, but this season's BL grouping proved to be slightly tougher as the fighting B's grabbed off second place.

(con't on next page)

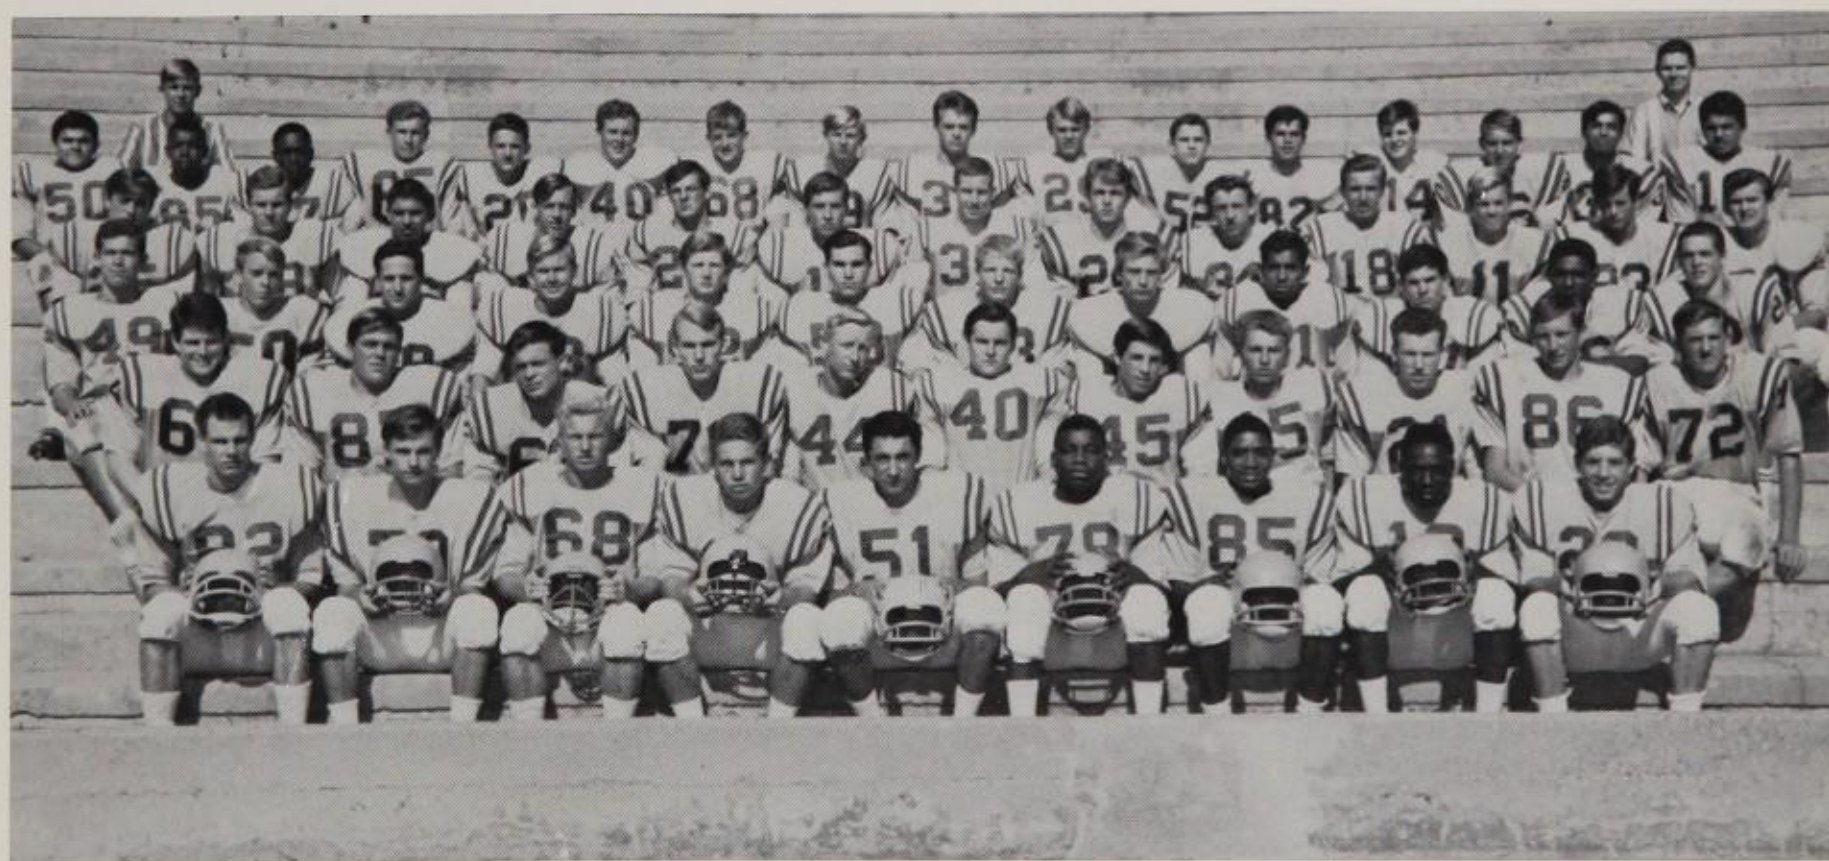

With returning fullback Chuck Gates leading the parade, the bantamweights rolled over many opponents, particularly a 40-0 non-league rout of Antelope Valley. Gates romped for 257 yards and two touchdowns, while quarterbacks Gene Martin and Marty Schaefer peppered the Antelope defensive backfield with pinpoint passes. Schaefer tossed a pair of six-point bombs.

The big turning point in the B season came in a loop battle against Redondo, on the Vikes' homefield. The Seahawks humbled the home eleven, 13-0, dealing the Samo title hopes a fatal blow.

Providing an encore for a 7-1 season is certainly a tough task, but Coach Ruben Navarro's scrapping C footballers achieved this goal. They went undefeated! This string of eight victories increased the undefeated string of the flyweights to 15 in a row (over two years). The only loss came in the first game of the '63 season.

Pace-setters for the top Viking eleven of '64 were halfback Danny Saenz, who also doubled as team captain; halfback Bruce Ungar; quarterback Pete Martinez; end Preston Gilkison, and linebacker Larry Lee.

Vikesville's victory-prone Tank team came through with a fine season under the leadership of Coaches David Millovich and Bob Coulter.

Mr. Millovich's Viking varsity tied for the top spot in the Bay League with Redondo and Mira Costa, all posting 4-1 marks. But the Santa Monica seven lost out on CIF play off by the luck of the coin.

Most valuable player Carl Chew, goalie, and captain Butch Snow were the team leaders throughout the season.

A trio of Norsemen were chosen to the All-Bay League water polo team. Those chosen were Carl Chew, Dave Follette, and Rich Charnley.

Coach Coulter's C's went through the entire schedule undefeated, to top all Samo entrants. Pacing the Vikes to their 13-0 victory mark were Fred Black, Curt Ando, Mike Dennis, and Kurt Mengel.

The B's Poloists placed second in Bay competition under Coach Millovich's guidance. Senior John Black carried the Norse banners for the 1964-65 season.

The Samohi cross county team, coached by Mr. Kessen Sawday, was plagued by injuries throughout most of the season.

Seniors Ed Fisher, and John Briggs were two of the outstanding varsity runners.

Though we started out with an impressive non-league win, we lost our next six Bay League encounters to Rolling Hills 31-26, (low score wins), Palos Verdes 36-22, Hawthorne 31-24, Mira Costa 42-18, Redondo 31-22, and South 41-20.

The squad then came back to place a creditable fourth in the seven-school Bay League finals. The JV and Sophomore teams, which suffered from lack of participation, finished fifth and fourth, respectively.

Samohi's varsity wrestlers had a lean season this year because of the increased power of Bay League competition.

Coach Robert Harris' mat men lost ten matches, but garnered victories over Culver City and Inglewood.

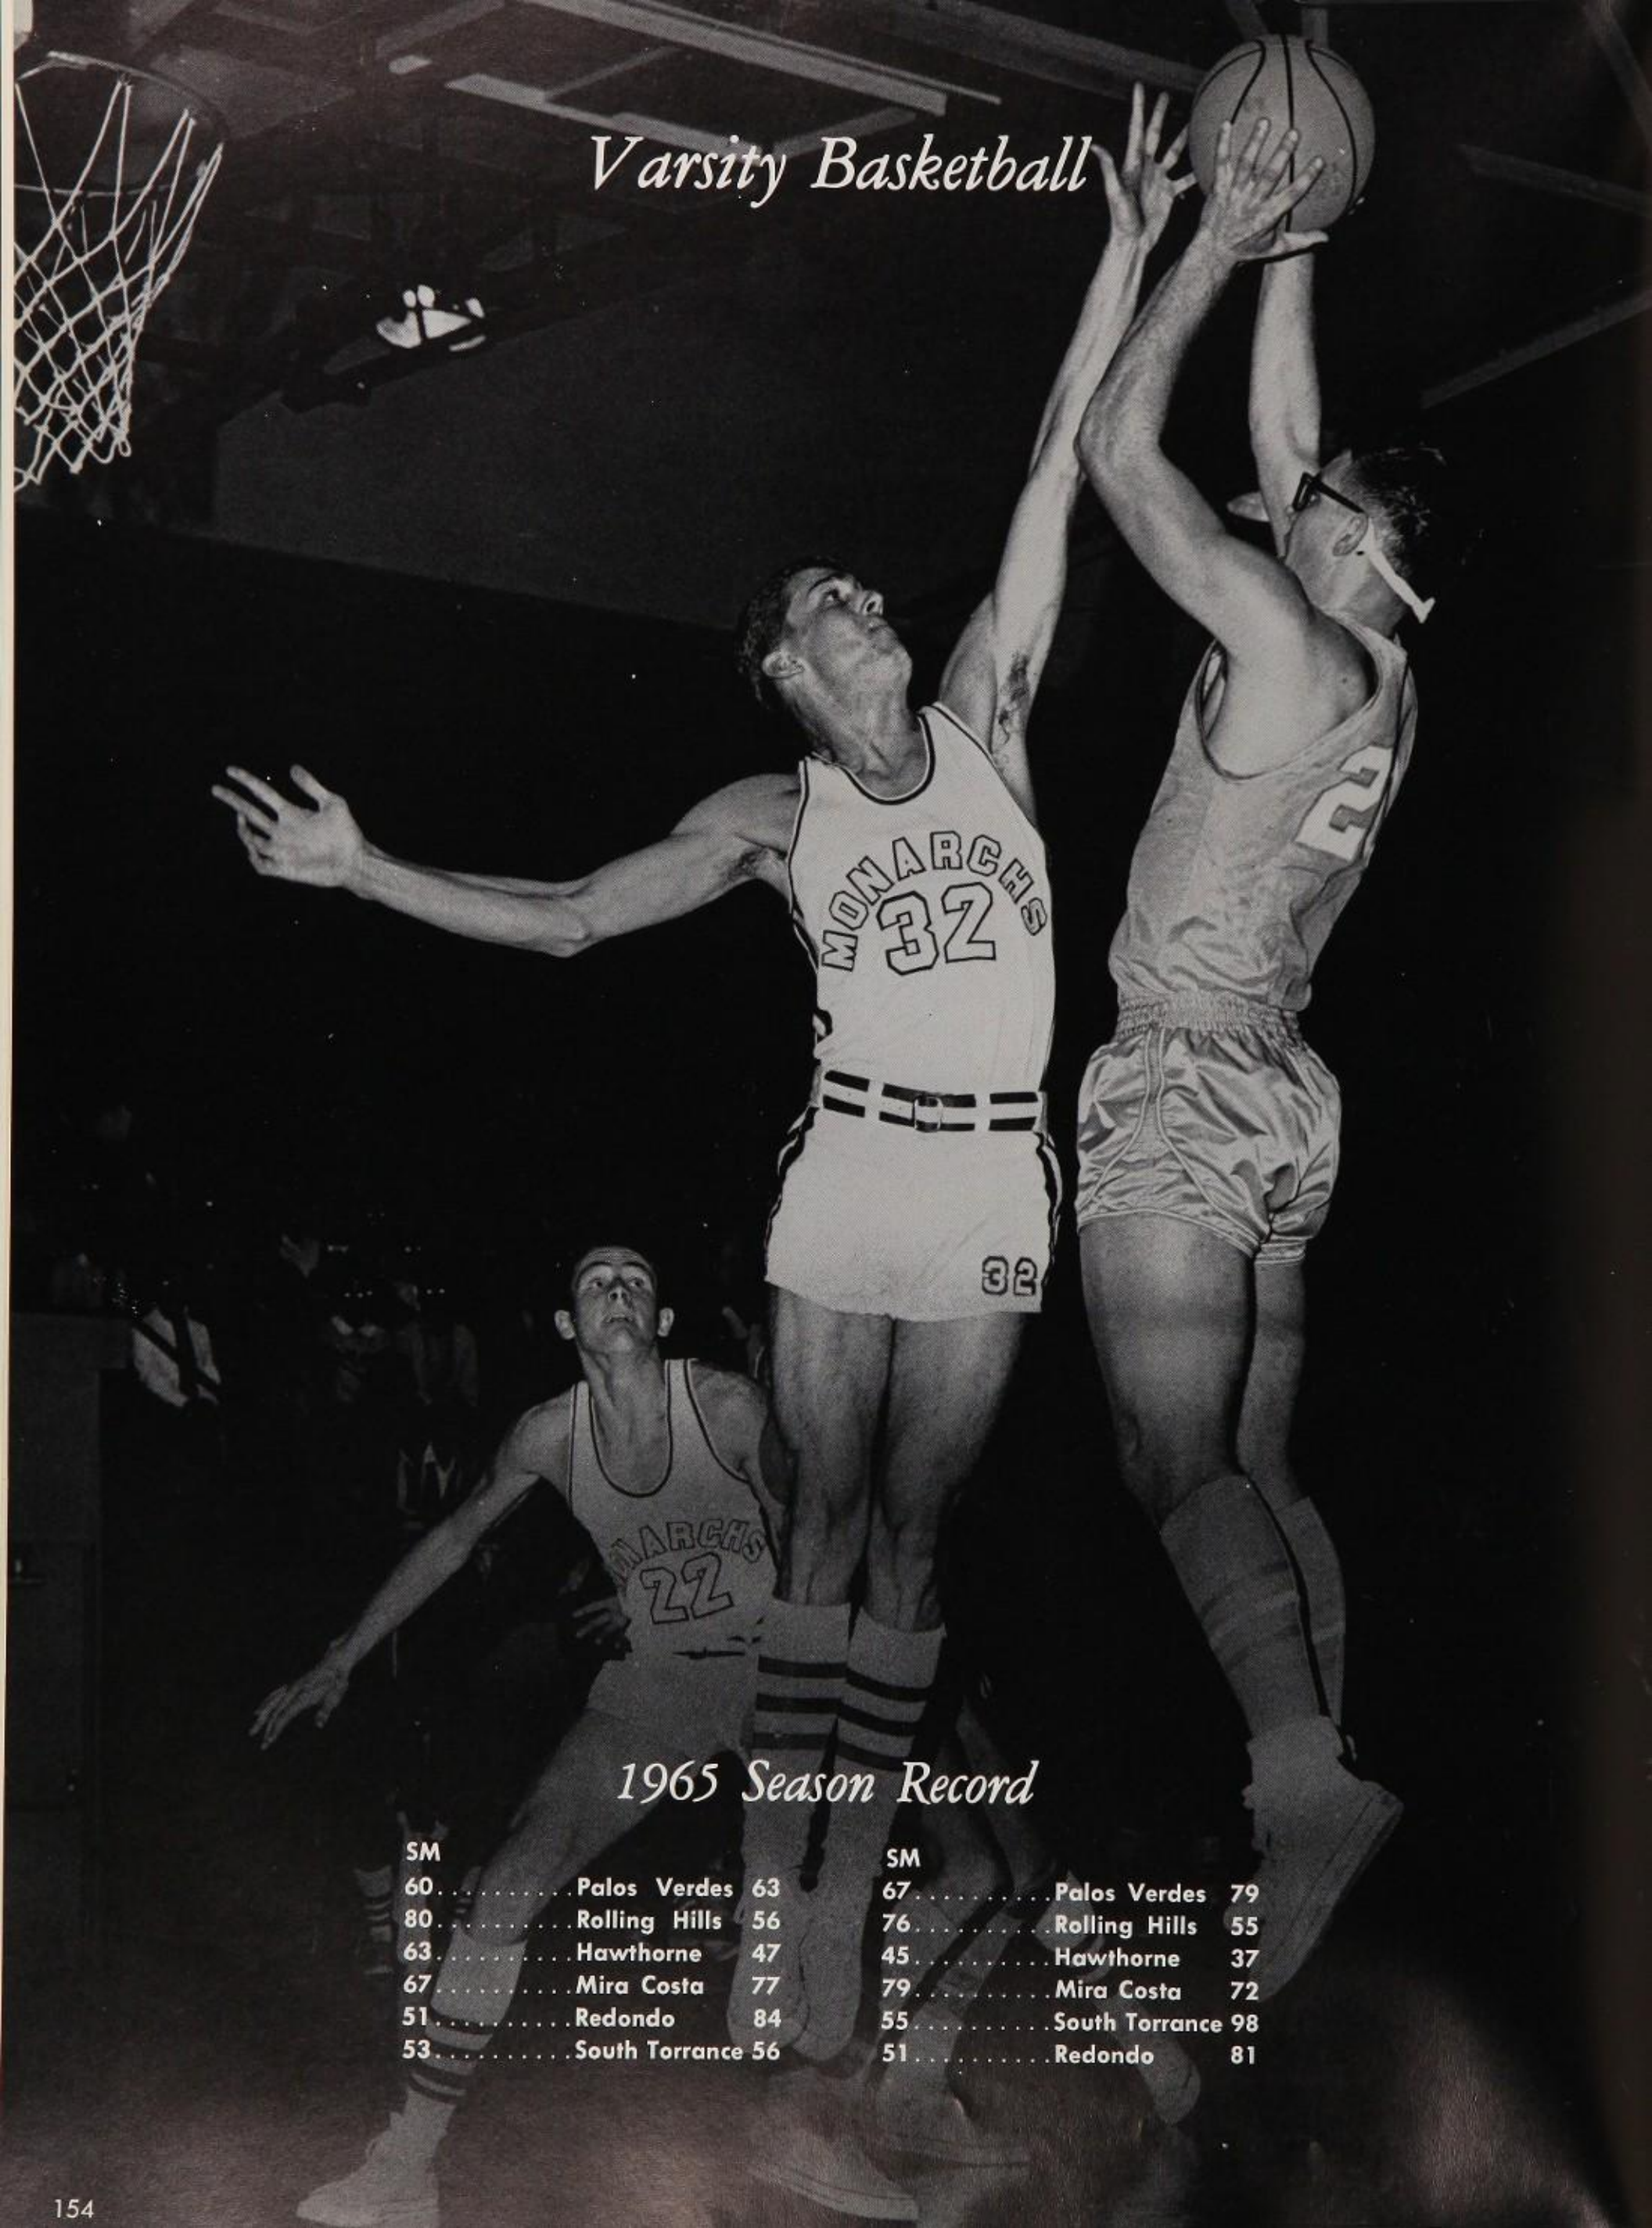

Four seniors established especially good records in spite of the overall team showing. The standout wrestlers were Bob Stanger, 9 wins-1 loss; Sandy Rosenthal, 6-1; Aaron Lewis, 7-4; and Larry Pierce, 6-6.

The Viking's future looks brighter since several sophomores and juniors will return to action next year. A spring weight lifting program, combining with an intensive training program, is expected to build up the boys for the coming season. Coach Harris feels confident that the wrestlers will be able to report a much improved season next year.

After two years in the Bay League cellar, Coach Dick Beede's basketball team moved back into daylight, finishing tied for fourth with a 5-7, win-loss league record. As gratifying as this, was a 13-12 overall record, which gave the hoopmen their first winning season in many years. The win-hungry Vikes were led by seniors Carl Pawl, Larry Milliken, Gib Stewart, Pat Crawford, and Dale Eicks.

Vike's Bay League adventures included twin defeats of Hawthorne and Rolling Hills. The victory of the year came with a 79-72 defeat of Mira Costa. This was the first time that the Vikes were able to vanquish the powerful Mustangs since 1962. The season ended on a sad note, however, with a 30-point defeat at the hands of Redondo, but the loss was not to be embarrassing, for the Seahawks were the number one team in CIF, boasting a 23-0 record going into playoffs.

The good showing of the JV and B squads give the promise of a better year to come. If this upward trend continues, the days of silent gyms and thin crowds at Samohi basketball games may be over at last.

The return to the win column was sparked by many fine juniors including George Houck, Phil Yaple, and Tim Travers who will undoubtedly appear on the varsity roster next year.

The Vikes' only cage championship was supplied by the B team, coached by Mr. Miles Rodick. The 10-2 league record was good for a first place tie with Redondo. The team was led by Captain Marty Payne and included many other seniors who had spent three years chasing after the championship.

The C team, suffering from the same anemia which has hindered many other Vike C teams, posted the poorest record of the season. Although it had trouble gaining victories the team produced three promising players in the persons of George Szigeti, Brian Bird, and Mike Cropser.

Swimming

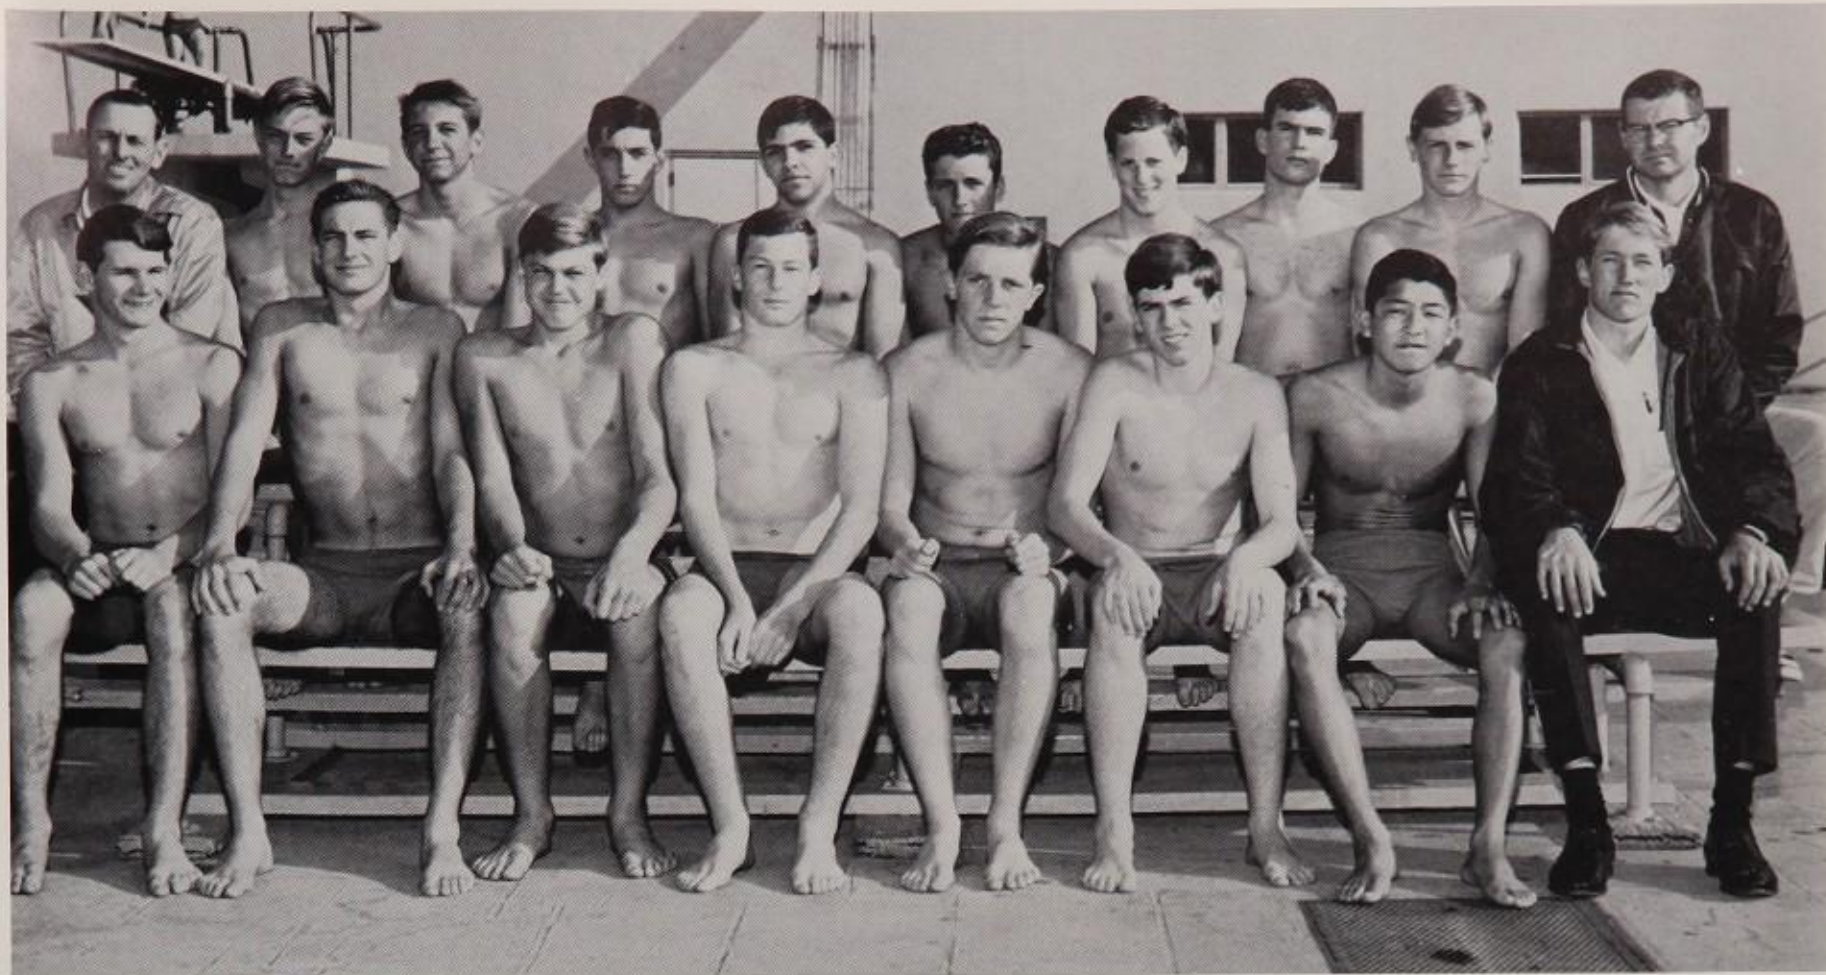

Viking swim teams were up this year, with varsity and B teams competing for Bay League titles. The C team just missed out, against a field of tough competition. The C team was out of Bay League contention after a disastrous 44-33 loss to a heads-up Palos Verdes team. The C team came back to win against Buena, but it was too late.

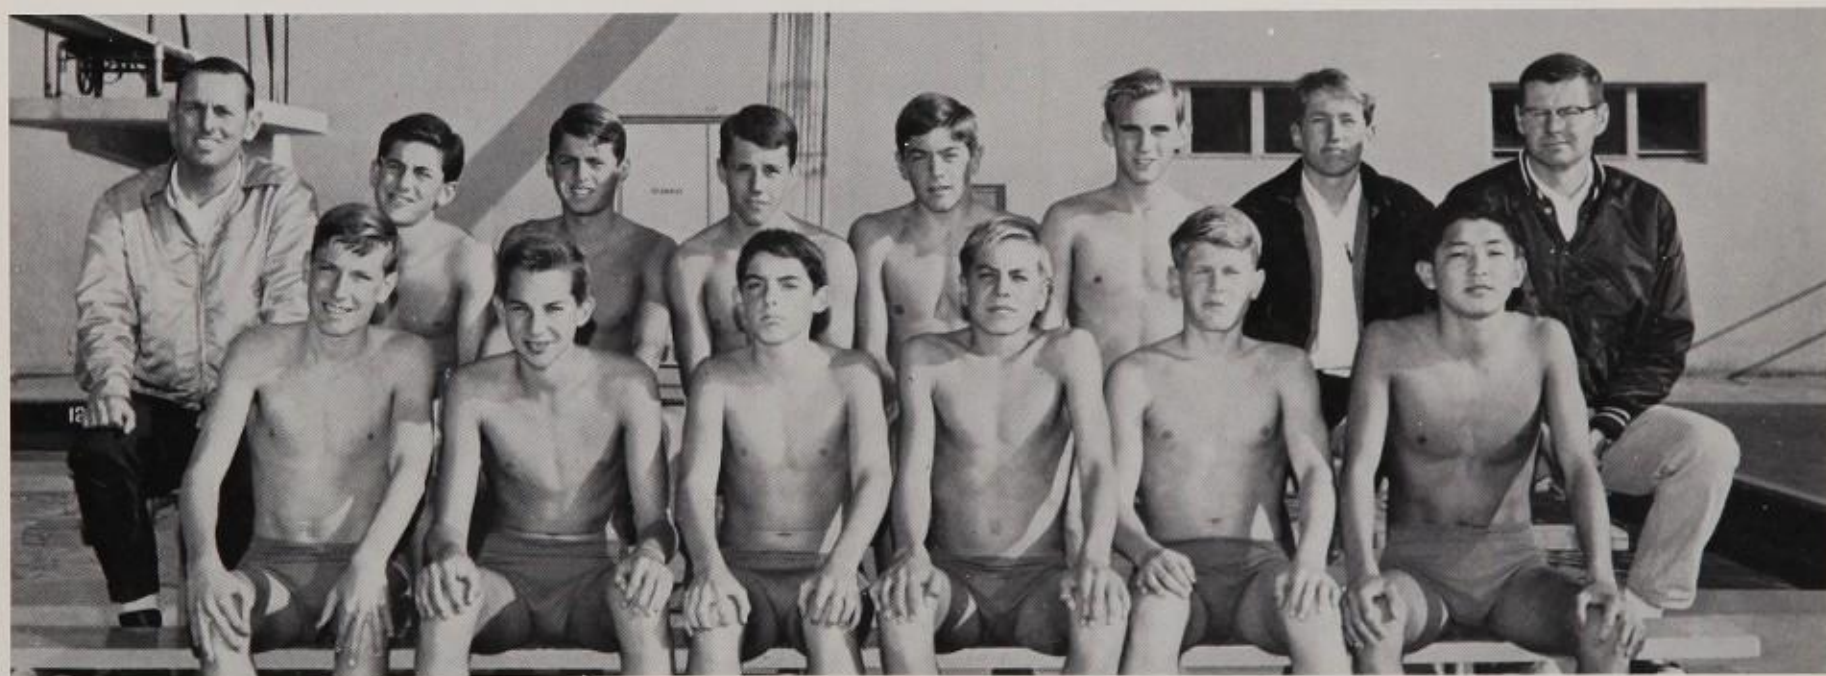

On this year's fine swim squad were several outstanding players who contributed to Samohi's impressive record. Sophomore Curt Ando was one, beating the old Bay League 100-yard freestyle record by three and two-tenths seconds. Tom Crandall and Jeff Long, versatile swimmers, contributed important victories. Senior John Black and Junior Steve Grant led the varsity to their impressive record. Ben Gage set a Bay League breaststroke record. Other important members of the squad were Garry Doran, Bob Muldrew, Dave Follette and Mike Martini.

Viking track coaches: Mr. Harold Connolly, Mr. Richard Turner, and Mr. Irv Kasten, (l-r).

Trackmen

Coached by Mr. Harold Connolly, Olympic hammer throw champion, the Viking trackmen exhibited some fine individual performances.

Despite their thin numbers, the smallest varsity and C teams in years, the Vikes launched their season with a triple victory over North Torrance. They also swept their second meet against Inglewood: varsity, 75-38; B, 62-29; C, 55-31.

In other highlights the Norse narrowly lost their Bay League opener to Palos Verdes in the varsity and C decisions, while the B team remained undefeated. Two days later the Vikes surrendered their Mira Costa Relays trophy to Palos Verdes. Victory returned to Vikeville with a triple sweep over Mira Costa: varsity, 57-56; B, 55-40; C, 44-42.

The varsity team produced many outstanding competitors. Gary Wood-Taylor, junior sprinter, dominated the Bay League dashes. Marty Payne, last year's CIF C high jump champion, made a habit of breaking six feet. Shot putter Ryan Mapes established himself as one of the best preps in Southern California with his consistent 57-foot tosses.

At mid-season, the Vikes stood in second place in the Bay League, but steady additions and improvements increased hope that the Norse would be able to successfully defend their championship at the league finals.

VARSITY STARTERS: (FRONT ROW) Dehnke, McMillan, Hofmeister, Muinch, Rosenthal; (BACK ROW) Morey, Esparza, McCowan, Saenz, Coach Navarro.

Vikeville

Varsity: (FRONT ROW) D. Luebs, D. McMillan, T. Murray, J. McCowan, E. Saenz, G. Muinch, S. Rosenthal, D. Earl; (SECOND ROW) S. Morey, J. Esparza, L. Wedertz, W. Hofmeister, J. Partie, D. Dehnke, J. Freeman.

Junior Varsity: (FRONT, l-r) J. Wilson, T. Shannon, G. Martin, C. Lambert, R. Niles, G. Wright, D. Orbach, E. Rineholm; (SECOND ROW) J. Ancker, S. Kirby, M. Gladhart, T. Rivera, J. Constable, J. Brown, N. Larez, B. Ruez.

Baseball

In a year of declining prospects for many Samohi teams Coach Rubin Navaro's baseballers provided a welcome note of improvement.

Although the Vikings dropped their first two games to Leuzinger and Los Angeles High, they showed the pitching and batting potential for winning many games. Norse hopes took an upswing when Hawthorne, the team chosen to win Bay League, fell before the Vikes twice in the same week.

Slugging strength was supplied by the powerful bats of Willie Hofmeister, Eddie Saenz, and Dale Dehnke. Doug McMillan led the way to a no-hit pitching exhibition. Joe Esparza and Tony Murray rounded out Vikeville's hit-stingy pitching staff.

Sandy Rosenthal, starting third baseman, shows how to snag wayward baseballs.

Defending CIF Champs

JUNIOR VARSITY: (FRONT l-r) D. Link, B. Sbarra, R. Cambigue, D. Hatch, L. Porter; (BACK l-r) K. Foster, D. Iverson, L. Harding, B. Blatz.

"I used two dabs, and they won't leave me alone."

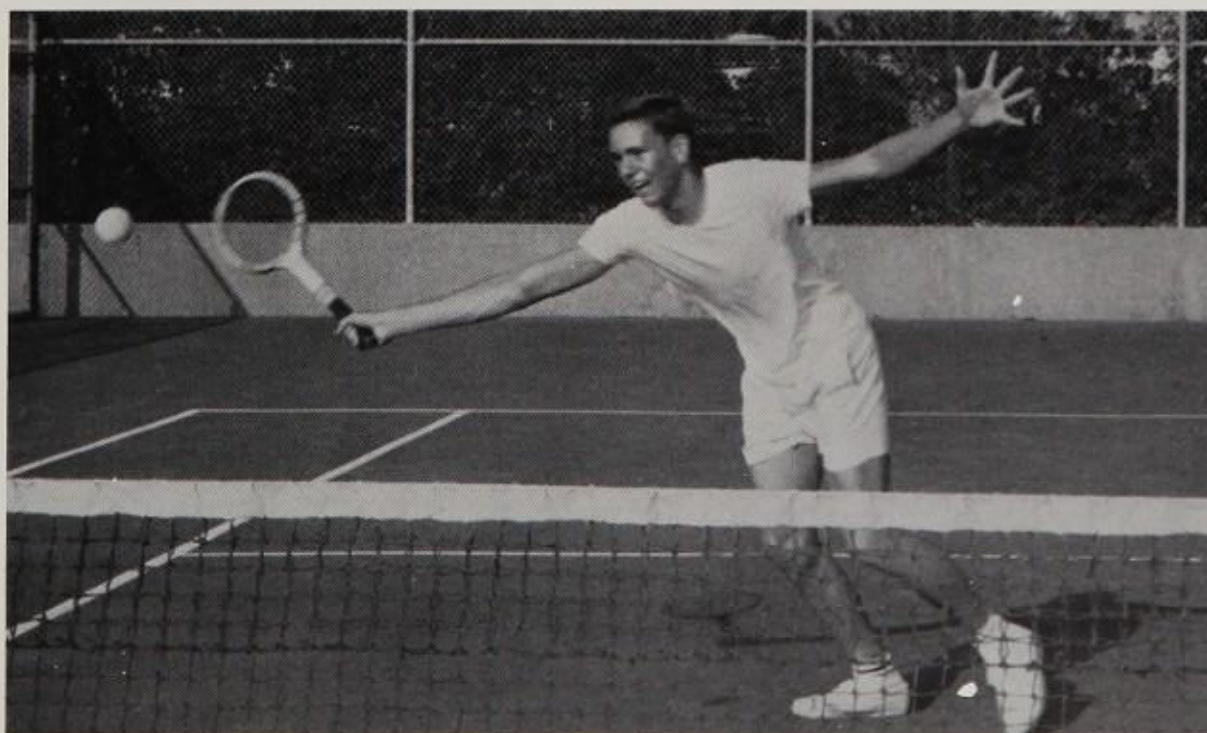

Coach Glenn Bassett's and Coach Don Kramer's netmen remained the toughest squad in the Bay League as they continued their march to their fourth consecutive CIF championship.

Led by Mike Talmadge and Tom Moeller, the Vikings vanquished all early season opponents, easily adding to a history of wins that includes only two losses in the past five years.

The odds were favorable that the Vikes would continue their one team monopoly of southern California tennis.

Powerful doubles combinations like this one of Price and Blatz have been responsible for many victories on Vikesville's courts.

Girls' Athletic

"The ball, Polly, the ball—not the light!" Basketball played an important role in the development of physical ability.

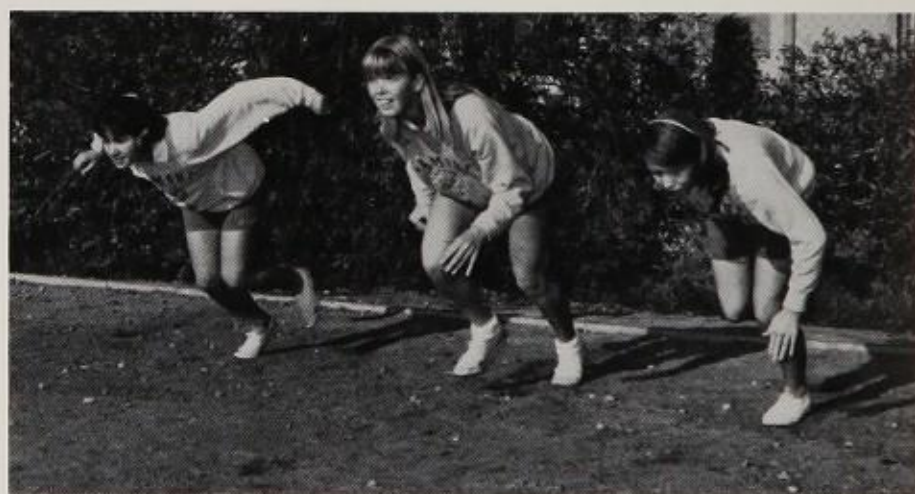

GAA SPRING SONGLEADERS: (l-r) Annette Smith, head; Peggy Freneau, Vera Knotts.

The purpose of the Girls' Athletic Association is to aid in the development of a high degree of physical ability, to offer a program of enjoyable sports activities, and to encourage cooperation, good sportsmanship and school spirit through service to Samohi. The club has 150 members who participate in team and individual sports. This year, GAA hosted the basketball playday, one of the events in which it participates as a member of the Bay League. Other highlights of the year were the faculty-student volleyball game and the GAA vs. Sergeanettes football game.

The volleyball class, led by Mrs. Carruthers, practices for the sports sprees after school.

The Girls' Athletic Association started out its year by winning first place at Hawthorne, playing five different schools. Later in the semester, the girls played at Mira Costa, where they competed in individual sports.

During Homecoming they took the rating of second place for the theme, "Olympics."

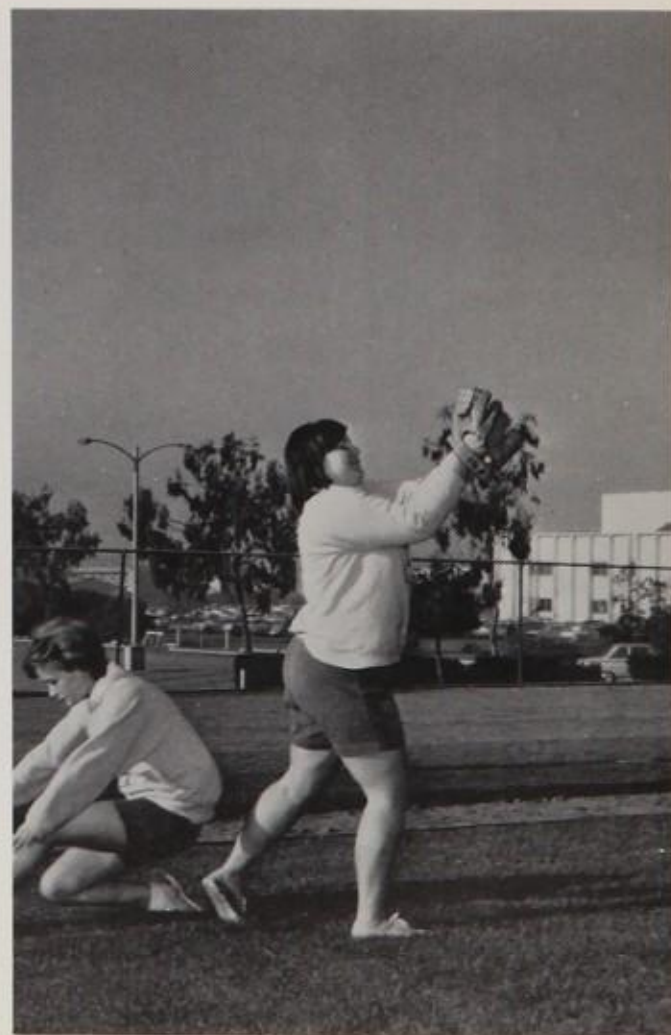

Throughout the school year the GAA has had fun at beach parties, banquets, and playing the Sergeanettes.

Queen of the Bay

A glittering water smiles toward the land;
A light ocean breeze caresses the sand;
The sun as it sets seems to kneel and say,
"I'm crowning you, Samohi, Queen of the Bay."

Pete Philbin

Now it is my turn to thank everyone who has helped with this year's NAUTILUS. As you read this, you have already gone through this book and enjoyed, I hope, a year's hard work by many hard-working people. The staff and I have tried to give you a book of what I call "I remember," a book you can look back to and leaf through the pages and say, "I remember that," or "I remember those people," or "That was fun!"

I believe the NAUTILUS staff this year has produced one of the best yearbooks in Samohi's history. Sometimes it hasn't been easy; and many times there were "discussions" that were punctuated with tears but which finally ended in a complete page.

Thank you, staff, especially Sally Hamilton for all your help and support. Thank you, Cathy LaBombard, for helping everyone in times of need. And Eric Bellman, thank you for all your endless errands. You helped so much. Thank you, Mr. Dimas, for letting me have the opportunity to do all this. Being editor has meant so much to me; I only hope you enjoy the NAUTILUS as much as we have enjoyed bringing it to you.

Linda Edwards

The Board of Education for making the NAUTILUS possible.

Mr. Porter Leach for all of his help.

Mr. Kenneth Davidson of Taylor Publishing Co. for his suggestions and professional help.

Mr. Robert Hopkins of the S. K. Smith Co. for the beautiful cover.

Mr. Grant Lippert and Mr. Bill Smith of Grant Studios for the photography.

Jeff Douglass for his emergency photography help.

Bruce Jenkins and Bob Cox for their sports writing.

Mr. Dimas for his invaluable help and patience in advising the 1965 NAUTILUS staff.

And especially to Dorothy Pao, our artist, for her handsome cover and creative division pages, which gave our theme meaning. Her artwork is appreciated very much by the NAUTILUS staff and we're sure by the entire student body.

It was a great thrill to present the 1965 NAUTILUS to Dr. Drake and the student body.

Best
wishes
